Independent Auditors' Report

The Board of Directors of
The Macerich Company:

We have audited the accompanying statement of revenues and certain expenses (Historical Summary) of Green Acres Mall (the Property) for the year ended December 31, 2011. This Historical Summary is the responsibility of the Property's management. Our responsibility is to express an opinion on this Historical Summary based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the Historical Summary is free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Property's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the Historical Summary, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the Historical Summary. We believe that our audit provides a reasonable basis for our opinion.

The accompanying Historical Summary was prepared for the purpose of complying with the rules and regulations of the Securities and Exchange Commission as described in note 1. The presentation is not intended to be a complete presentation of the Property's revenues and certain expenses.

In our opinion, the Historical Summary referred to above presents fairly, in all material respects, the revenues and certain expenses described in note 1 of Green Acres Mall for the year ended December 31, 2011, in conformity with U.S. generally accepted accounting principles.

GREEN ACRES MALL

NOTES TO STATEMENTS OF REVENUES AND CERTAIN EXPENSES

NINE MONTHS ENDED SEPTEMBER 30, 2012 (UNAUDITED) AND THE YEAR ENDED DECEMBER 31, 2011

(Dollars in thousands)

1. Summary of Significant Accounting Policies:

Basis of Presentation:

The accompanying statements of revenues and certain expenses relate to the operations of Green Acres Mall, an 1,800,000 square foot super regional shopping center in Valley Stream, New York that was purchased by The Macerich Company on January 24, 2013.

The accompanying statements of revenues and certain expenses have been prepared for the purpose of complying with the rules and regulations of the Securities and Exchange Commission and, accordingly, are not representative of the actual results of operations of Green Acres Mall for the nine months ended September 30, 2012 and the year ended December 31, 2011 due to the exclusion of the following expenses, which may not be comparable to the proposed future operations of the property:

- Depreciation and amortization,
- Management fees, and
- Mortgage interest expense since the center was refinanced on the date of acquisition.

Revenues:

Minimum rental revenues are recognized on a straight-line basis over the terms of the related leases. Percentage rents are recognized and accrued when tenants' specified sales targets have been met.

Estimated recoveries from certain tenants for their pro rata share of real estate taxes, insurance and other shopping center operating expenses are recognized as revenues in the period the applicable expenses are incurred. Other tenants pay a fixed rate and these tenant recoveries are recognized as revenues on a straight-line basis over the terms of the related leases.

Management Estimates:

Management has made a number of estimates and assumptions relating to the reporting and disclosure of revenues and certain expenses during the reporting period to prepare the statements of revenues and certain expenses in conformity with U.S. generally accepted accounting principles. Actual results could differ from these estimates.

Unaudited Interim Statement:

The statement of revenues and certain expenses for the nine months ended September 30, 2012 is unaudited. In the opinion of management, all adjustments (consisting of normal recurring adjustments) necessary for a fair presentation of the statement of revenues and certain expenses for the interim period have been made.

2. Future Rental Revenues:

Under existing non-cancelable operating lease agreements, tenants are committed to pay the following minimum rental payments to Green Acres Mall:

<u>Year Ending December 31,</u>		
2012	\$	27,935
2013		26,190
2014		22,454
2015		20,689
2016		19,040
Thereafter		139,638
	\$	<u>255,946</u>

3. Commitments and Contingencies:

Green Acres Mall is subject to a non-cancelable operating ground lease. The lease expires on May 28, 2018, subject to options to extend the term of the lease. Minimum future rental payments required under the lease, including amounts expected to be incurred during the extension periods, are as follows:

<u>Year Ending December 31,</u>		
2012	\$	1,183
2013		1,119
2014		1,056
2015		1,056

2016	1,056
Thereafter	28,163
	<u>\$ 33,633</u>

4. Subsequent Events:

The management of Green Acres Mall evaluated subsequent events through March 28, 2013, the date that these statements of revenues and certain expenses were issued.

6

The Macerich Company (the "Company") Pro Forma Consolidated Financial Information (Unaudited)

The following unaudited pro forma consolidated financial information has been prepared to give effect to the Company's acquisition of Green Acres Mall. The Company acquired Green Acres Mall on January 24, 2013 for a purchase price of \$500.0 million. The purchase price was funded by the placement of a \$325.0 million mortgage note on the property and borrowings under the Company's line of credit.

The pro forma consolidated balance sheet has been presented as if the acquisition occurred on September 30, 2012 and the pro forma statements of operations have been presented as if the acquisition had occurred on January 1, 2011.

This pro forma consolidated financial information should be read in conjunction with the Company's consolidated financial statements included in the Company's Form 10-K for the year ended December 31, 2011, the Company's Form 10-Q for the quarterly period ended September 30, 2012, as filed with the Securities and Exchange Commission, and the statements of revenues and certain expenses of Green Acres Mall and related notes thereto included elsewhere in this filing.

The purchase allocation adjustments made in connection with the unaudited pro forma consolidated financial statements are based on the information available at this time. Subsequent adjustments to the allocation may be made based on additional information.

The pro forma consolidated financial statements do not purport to represent the Company's financial position or results of operation that would actually have occurred assuming the acquisition of Green Acres Mall along with the related financing transactions had all occurred on January 1, 2011; nor do they purport to project the Company's financial position or results of operations as of any future date or for any future period.
