**Explanation of Responses:**

- Represents the reporting person's annual equity award for service on the Board of Directors which was paid in the form of restricted stock units that vest in one year and was granted on the date designated by the Compensation Committee for all annual employee and director bonuses and awards consistent with past practice.
- Under The Macerich Company 2003 Equity Incentive Plan (the "2003 Plan"), a director may elect to have his or her account credited with dividend equivalents on the director's deferred restricted stock units when the Company pays cash dividends on its common stock, and to have such dividend equivalents denominated in additional stock units based on the fair market value of the Company's common stock on the applicable dividend payment date. Includes 120 previously unreported stock units that have been credited as dividend equivalents under the deferral feature of the 2003 Plan.
- In addition, the reporting person holds 10,009 stock units under the Company's Director Phantom Stock Plan, which units are convertible for an equal number of shares of The Macerich Company's common stock.
