NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

(Dollars in thousands, except per share amounts)

(Unaudited)

1. Organization:

The Macerich Company (the "Company") is involved in the acquisition, ownership, development, redevelopment, management and leasing of regional and community shopping centers (the "Centers") located throughout the United States.

The Company commenced operations effective with the completion of its initial public offering on March 16, 1994. As of March 31, 2010, the Company was the sole general partner of and held an 89% ownership interest in The Macerich Partnership, L.P. (the "Operating Partnership"). The Company was organized to qualify as a real estate investment trust ("REIT") under the Internal Revenue Code of 1986, as amended.

The property management, leasing and redevelopment of the Company's portfolio is provided by the Company's management companies, Macerich Property Management Company, LLC, a single member Delaware limited liability company, Macerich Management Company, a California corporation, Westcor Partners, L.L.C., a single member Arizona limited liability company, Macerich Westcor Management LLC, a single member Delaware limited liability company, Westcor Partners of Colorado, LLC, a Colorado limited liability company, MACW Mall Management, Inc., a New York corporation, and MACW Property Management, LLC, a single member New York limited liability company. All seven of the management companies are collectively referred to herein as the "Management Companies."

All references to the Company in this Quarterly Report on Form 10-Q include the Company, those entities owned or controlled by the Company and predecessors of the Company, unless content indicates otherwise.

2. Summary of Significant Accounting Policies:

Basis of Presentation:

The accompanying consolidated financial statements of the Company have been prepared in accordance with generally accepted accounting principles ("GAAP") for interim financial information and with the instructions to Form 10-Q and Article 10 of Regulation S-X. They do not include all of the information and footnotes required by GAAP for complete financial statements and have not been audited by independent public accountants.

The accompanying consolidated financial statements include the accounts of the Company and the Operating Partnership. Investments in entities in which the Company retains a controlling financial interest or entities that meet the definition of a variable interest entity in which the Company has, as a result of ownership, contractual or other financial interests, both the power to direct activities that most significantly impact the economic performance of the variable interest entity and the obligation to absorb losses or right to receive benefits that could potentially be significant to the variable interest entity are consolidated; otherwise they are accounted for under the equity method of accounting and are reflected as "Investments in unconsolidated joint ventures." All intercompany accounts and transactions have been eliminated in the consolidated financial statements.

The unaudited interim consolidated financial statements should be read in conjunction with the Company's audited consolidated financial statements and notes thereto included in the Company's Annual Report on Form 10-K for the year ended December 31, 2009. In the opinion of management,

THE MACERICH COMPANY**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Continued)****(Dollars in thousands, except per share amounts)****(Unaudited)****2. Summary of Significant Accounting Policies: (Continued)**

all adjustments (consisting of normal recurring adjustments) necessary for a fair presentation of the consolidated financial statements for the interim periods have been made. The preparation of consolidated financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates. The accompanying consolidated balance sheet as of December 31, 2009 has been derived from the audited financial statements, but does not include all disclosures required by GAAP.

All intercompany accounts and transactions have been eliminated in the consolidated financial statements.

Deferred Charges:

Costs relating to obtaining tenant leases are deferred and amortized over the initial term of the agreement using the straight-line method. As these deferred leasing costs represent productive assets incurred in connection with the Company's provision of leasing arrangements at the Centers, the related cash flows are classified as investing activities within the Consolidated Statement of Cash Flows. Costs relating to financing of shopping center properties are deferred and amortized over the life of the related loan using the straight-line method, which approximates the effective interest method. In-place lease values are amortized over the remaining lease term plus an estimate of renewal. Leasing commissions and legal costs are amortized on a straight-line basis over the individual lease years.

The range of the terms of the agreements is as follows:

Deferred lease costs	1-15 years
Deferred financing costs	1-15 years
In-place lease values	Remaining lease term plus an estimate for renewal
Leasing commissions and legal costs	5-10 years

Tenant and Other Receivables, net:

Included in tenant and other receivables, net, is an allowance for doubtful accounts of \$6,019 and \$5,943 at March 31, 2010 and December 31, 2009, respectively.

Included in tenant and other receivables, net, are the following notes receivable:

On March 31, 2006, the Company received a note receivable that is secured by a deed of trust, bears interest at 5.5% and matures on March 31, 2031. At March 31, 2010 and December 31, 2009, the note had a balance of \$9,168 and \$9,227, respectively.

On January 1, 2008, in connection with the redemption of the participating preferred units, the Company received an unsecured note receivable that bears interest at 9.0% and matures on June 30, 2010. The balance on the note at March 31, 2010 and December 31, 2009 was \$11,763.

On August 16, 2009, the Company received a note receivable from J&R Holdings XV, LLC ("Pederson") that bears interest at 10% and matures August 14, 2014. Pederson is considered a related

party because it has an ownership interest in Promenade at Casa Grande. The note is secured by Pederson's interest in Promenade at Casa Grande. Interest income on the note was \$44 for the three months ended March 31, 2010. The balance on the note at March 31, 2010 and December 31, 2009 was \$1,708 and \$1,800, respectively.

Recent Accounting Pronouncements Adopted:

In June 2009, the Financial Accounting Standards Board ("FASB") issued new guidance which removes the concept of a qualifying special-purpose entity and requires a transferor to consider all arrangements or agreements made contemporaneously with, or in contemplation of, a transfer of a financial asset in order to determine whether a transferor and all of the entities included in the transferor's financial statements being presented have surrendered control of the transferred financial asset. The adoption of this pronouncement on January 1, 2010 did not have a material impact on the Company's consolidated financial statements.

In June 2009, the FASB issued new consolidation guidance for determining whether a reporting enterprise is the primary beneficiary in a variable interest entity and therefore should consolidate the variable interest entity in its financial statements. The new consolidation guidance also requires ongoing reassessments and additional disclosures about the reporting enterprise's involvement with the variable interest entity. The Company identified two variable interest entities which meet the criteria for consolidation under the new consolidation guidance. The Company determined that it is the primary beneficiary of these variable interest entities as it has both the power to direct activities that most significantly impact the economic performance of the variable interest entities and the obligation to absorb losses or right to receive benefits that could potentially be significant to the variable interest entities. The adoption of the new consolidation guidance did not have a material impact on the Company's consolidated financial statements as the Company had consolidated these variable interest entities in its consolidated financial statements based upon the risks and rewards-based quantitative approach under the prior consolidation guidance. For the three months ended March 31, 2010, aggregate total revenues and total expenses relating to the operating activities of these variable interest entities were \$3,658 and \$3,512, respectively, and are included in the accompanying consolidated statements of operations. At March 31, 2010, significant assets and liabilities of these variable interest entities consisted of property of \$75,167 and mortgage notes payable of \$40,952.

In January 2010, the FASB issued new guidance that requires new disclosures and clarifications of existing disclosures related to transfers in and out of Level 1 and Level 2 fair value measurements, further disaggregation of fair value measurement disclosures for each class of assets and liabilities, and additional details of valuation techniques and inputs utilized. The adoption of this pronouncement on January 1, 2010 did not have a material impact on the Company's consolidated financial statements.

In January 2010, the FASB issued new guidance that requires that dividends declared and payable in a combination of stock and cash be included in earnings per share prospectively and not considered a stock dividend for purposes of computing earnings per share. This guidance is consistent with the Company's previous accounting treatment and therefore the adoption of this pronouncement on January 1, 2010 did not have a material impact on the Company's consolidated financial statements.

meets the definition of a variable interest entity in which the Company is the primary beneficiary through both its power to direct activities that most significantly impact the economic performance of the variable interest entity and the obligation to absorb losses or right to receive benefits that could potentially be significant to the variable interest entity. Although the Company has a greater than 50% interest in Pacific Premier Retail Trust, Camelback Colonnade SPE LLC, Corte Madera Village, LLC, Queens Mall Limited Partnership and Queens Mall Expansion Limited Partnership, the Company does not have a controlling financial interest in these joint ventures as it shares management control with the partners in these joint ventures and, therefore, accounts for its investments in these joint ventures using the equity method of accounting.

The Company has recently made the following investments in unconsolidated joint ventures:

On July 30, 2009, the Company sold a 49% ownership interest in Queens Center to a third party for \$152,654, resulting in a gain on sale of assets of \$154,156. The Company used the proceeds from the sale of the ownership interest in the property to pay down a term loan and for general corporate purposes. The results of Queens Center are included below for the period subsequent to the sale of the ownership interest.

On September 3, 2009, the Company formed a joint venture with a third party whereby the Company sold a 75% interest in FlatIron Crossing. As part of this transaction, the Company issued three warrants for an aggregate of 1,250,000 shares of common stock of the Company (See Note 14—Stockholders' Equity). The Company received \$123,750 in cash proceeds for the overall transaction, of which \$8,068 was attributed to the warrants. The proceeds attributable to the interest sold exceeded the Company's carrying value in the interest sold by \$28,720. However, due to certain contractual rights afforded to the buyer of the interest in FlatIron Crossing, the Company recognized a gain on sale of \$2,506. The remaining net cash proceeds in excess of the Company's carrying value in the interest sold has been included in other accrued liabilities and will not be recognized until dissolution of the joint venture or disposition of the Company's or buyer's interest in the joint venture. The Company used the proceeds from the sale of the ownership interest to pay down a term loan and for general corporate purposes. The results of FlatIron Crossing are included below for the period subsequent to the sale of the ownership interest.

Combined and condensed balance sheets and statements of operations are presented below for all unconsolidated joint ventures.

5. Derivative Instruments and Hedging Activities:

The Company recognizes all derivatives in the consolidated financial statements and measures the derivatives at fair value. The Company uses interest rate swap and cap agreements (collectively, "interest rate agreements") in the normal course of business to manage or reduce its exposure to adverse fluctuations in interest rates. The Company designs its hedges to be effective in reducing the risk exposure that they are designated to hedge. Any instrument that meets the cash flow hedging criteria is formally designated as a cash flow hedge at the inception of the derivative contract. On an ongoing quarterly basis, the Company adjusts its balance sheet to reflect the current fair value of its derivatives. To the extent they are effective, changes in fair value of derivatives are recorded in comprehensive income. Ineffective portions, if any, are included in net income. No ineffectiveness was recorded in net income during the three months ended March 31, 2010 or 2009. If any derivative instrument used for risk management does not meet the hedging criteria, it is marked-to-market each period in the consolidated statements of operations. As of March 31, 2010, all of the Company's derivative instruments were designated as cash flow hedges. As of March 31, 2010, the Company's derivative instruments did not contain any credit risk related contingent features or collateral arrangements.

Amounts paid (received) as a result of interest rate agreements are recorded as an addition (reduction) to (of) interest expense. The Company recorded other comprehensive income related to the marking-to-market of interest rate agreements of \$7,979 and \$32,990 for the three months ended March 31, 2010 and 2009, respectively. The amount expected to be reclassified to interest expense in the next 12 months is immaterial.

The following derivatives were outstanding at March 31, 2010:

<u>Property/Entity</u>	<u>Notional Amount</u>	<u>Product</u>	<u>Rate</u>	<u>Maturity</u>	<u>Fair Value</u>

6. Fair Value:

The fair values of interest rate agreements are determined using the market standard methodology of discounting the future expected cash receipts that would occur if variable interest rates fell below or rose above the strike rate of the interest rate agreements. The variable interest rates used in the calculation of projected receipts on the interest rate agreements are based on an expectation of future interest rates derived from observable market interest rate curves and volatilities. The Company incorporates credit valuation adjustments to appropriately reflect both its own nonperformance risk and the respective counterparty's nonperformance risk in the fair value measurements. In adjusting the fair value of its derivative contracts for the effect of nonperformance risk, the Company has considered the impact of netting and any applicable credit enhancements, such as collateral postings, thresholds, mutual puts, and guarantees.

Although the Company has determined that the majority of the inputs used to value its derivatives fall within Level 2 of the fair value hierarchy, the credit valuation adjustments associated with its derivatives utilize Level 3 inputs, such as estimates of current credit spreads to evaluate the likelihood of default by itself and its counterparties. However, as of March 31, 2010 and December 31, 2009, the Company has assessed the significance of the impact of the credit valuation adjustments on the overall valuation of its derivative positions and has determined that the credit valuation adjustments are not significant to the overall valuation of its derivatives. As a result, the Company has determined that its derivative valuations in their entirety are classified in Level 2 of the fair value hierarchy.

11. Bank and Other Notes Payable:

Bank and other notes payable consist of the following:

Convertible Senior Notes ("Senior Notes"):

On March 16, 2007, the Company issued \$950,000 in Senior Notes that are to mature on March 15, 2012. The Senior Notes bear interest at 3.25%, payable semiannually, are senior unsecured debt of the Company and are guaranteed by the Operating Partnership. Prior to December 14, 2011, upon the occurrence of certain specified events, the Senior Notes will be convertible at the option of holder into cash, shares of the Company's common stock or a combination of cash and shares of the Company's common stock, at the election of the Company, at an initial conversion rate of 8.9702 shares per \$1 principal amount. On and after December 15, 2011, the Senior Notes will be convertible at any time prior to the second business day preceding the maturity date at the option of the holder at the initial conversion rate. The initial conversion price of approximately \$111.48 per share represented a 20% premium over the closing price of the Company's common stock on March 12, 2007. In addition, the Senior Notes are covered by two capped calls that effectively increased the conversion price of the Senior Notes to approximately \$130.06, which represents a 40% premium to the March 12, 2007 closing price of \$92.90 per common share of the Company. The initial conversion rate is subject to adjustment under certain circumstances. Holders of the Senior Notes do not have the right to require the Company to repurchase the Senior Notes prior to maturity except in connection with the occurrence of certain fundamental change transactions.

During the three months ended March 31, 2009, the Company repurchased and retired \$56,815 of the Senior Notes for \$30,679 and recorded a gain on the early extinguishment of debt of \$22,474. The repurchase was funded by borrowings under the Company's line of credit.

The carrying value of the Senior Notes at March 31, 2010 and December 31, 2009 was \$616,912 and \$614,245, respectively, which included unamortized discount of \$21,188 and \$23,855, respectively. The unamortized discount is amortized into interest expense over the term of the Senior Notes in a manner that approximates the effective interest method. As of March 31, 2010 and December 31, 2009, the effective interest rate was 5.41%. The fair value of the Senior Notes at March 31, 2010 and December 31, 2009 was \$607,790 and \$596,624, respectively, based on the quoted market price on each date.

Line of Credit:

The Company has a \$1,500,000 revolving line of credit that bears interest at LIBOR plus a spread of 0.75% to 1.10% depending on the Company's overall leverage and that was scheduled to mature on April 25, 2010. On April 25, 2010, the Company extended the maturity date to April 25, 2011. The Company has an interest rate swap agreement that effectively fixed the interest rate on \$400,000 of the outstanding balance of the line of credit at 6.08% until maturity. In addition, the Company had another swap agreement that effectively fixed the interest rate of \$290,000 of the remaining balance of the line of credit at 6.13% until April 15, 2010. As of March 31, 2010 and December 31, 2009, borrowings outstanding were \$690,000 and \$655,000, respectively, at an average interest rate of 6.26% and 6.10%, respectively. The fair value of the Company's line of credit at March 31, 2010 and December 31, 2009

was \$686,994 and \$643,662, respectively, based on a present value model using current interest rate spreads offered to the Company for comparable debt. On April 20, 2010, the Company paid down in full the line of credit with the proceeds from its equity offering of common stock and reapplied the associated interest rate swap to other floating rate debt. See Note 14—Stockholders' Equity.

Greeley Note:

On July 27, 2006, concurrent with the sale of Greeley Mall, the Company provided marketable securities to replace Greeley Mall as collateral for the mortgage note payable on the property (See Note 8—Marketable Securities). As a result of this transaction, the debt was reclassified to bank and other notes payable. This note bears interest at an effective rate of 6.34% and matures in September 2013. At March 31, 2010 and December 31, 2009, the Greeley note had a balance outstanding of \$26,170 and \$26,353, respectively. The fair value of the note at March 31, 2010 and December 31, 2009 was \$20,793 and \$20,589, respectively, based on current interest rates for comparable loans. The method for computing fair value was determined using a present value model and an interest rate that included a credit value adjustment based on the estimated value of the property that serves as collateral for the underlying debt.

As of March 31, 2010 and December 31, 2009, the Company was in compliance with all applicable loan covenants.

12. Co-Venture Arrangement:

On September 30, 2009, the Company formed a joint venture, whereby a third party acquired a 49.9% interest in Freehold Raceway Mall and Chandler Fashion Center. As part of this transaction, the Company issued a warrant in favor of the third party to purchase 935,358 shares of common stock of the Company at an exercise price of \$46.68 per share. See "Warrants" in Note 14—Stockholders' Equity. The Company received approximately \$174,650 in cash proceeds for the overall transaction, of which \$6,496 was attributed to the warrants.

As a result of the Company having certain rights under the agreement to repurchase the assets after the seventh year of the venture formation, the transaction did not qualify for sale treatment. The Company, however, is not obligated to repurchase the assets. The transaction has been accounted for as a profit-sharing arrangement, and accordingly the assets, liabilities and operations of the properties remain on the books of the Company and a co-venture obligation was established for the net cash proceeds received from the third party less costs allocated to the warrant. The co-venture obligation is increased for the allocation of income to the co-venture partner and decreased for distributions to the co-venture partner.

13. Noncontrolling Interests:

The Company allocates net income of the Operating Partnership based on the weighted average ownership interest during the period. The 11% limited partnership interest of the Operating Partnership not owned by the Company at March 31, 2010 is reflected in these consolidated financial statements as permanent equity.

13. Noncontrolling Interests: (Continued)

The interests in the Operating Partnership are known as OP Units. OP Units not held by the Company are redeemable at the election of the holder, and the Company may redeem them for the Company's stock or cash, at the Company's option. The redemption value for each OP Unit as of any balance sheet date is the amount equal to the average of the closing price per share of the Company's common stock, par value \$0.01 per share, as reported on the New York Stock Exchange for the ten trading days ending on the respective balance sheet date. Accordingly, as of March 31, 2010 and December 31, 2009, the aggregate redemption value of the then-outstanding OP Units not owned by the Company was \$481,600 and \$422,074, respectively.

The Company issued common and preferred units of MACWH, LP in April 2005 in connection with the acquisition of the Wilmorite portfolio. The common and preferred units of MACWH, LP are redeemable at the election of the holder, the Company may redeem them for cash or shares of the Company's stock at the Company's option, and they are classified as permanent equity.

Included in permanent equity are outside ownership interests in various consolidated joint ventures. The joint ventures do not have rights that require the Company to redeem the ownership interests in either cash or stock.

The outside ownership interests in the Company's joint venture in Shoppingtown Mall have a purchase option for \$20,591. In addition, under certain conditions as defined by the partnership agreement, these partners have the right to "put" their partnership interests to the Company. Due to the redemption feature of the ownership interest in Shoppingtown Mall, these noncontrolling interests have been included in temporary equity.

14. Stockholders' Equity:

On March 22, 2010, the Company issued 1,449,542 common shares to its common stockholders and OP Unit holders in connection with a declaration of a quarterly dividend of \$0.60 per share of common stock to holders of record on February 16, 2010, consisting of a combination of cash and shares of the Company's common stock. The cash component of the dividend (not including cash paid in lieu of fractional shares) was 10% in the aggregate, or \$0.06 per share, with the balance paid in shares of the Company's common stock.

In accordance with the provisions of Internal Revenue Service Revenue Procedure 2009-15, stockholders were asked to make an election to receive the dividends all in cash or all in shares. To the extent that more than 10% of cash was elected in the aggregate, the cash portion was prorated. Stockholders who elected to receive the dividends in cash received a cash payment of at least \$0.06 per share. Stockholders who did not make an election received 10% in cash and 90% in shares of common stock. The number of shares issued on June 22, 2009 as a result of the dividend was calculated based on the volume weighted average trading prices of the Company's common stock on the New York Stock Exchange on June 10, 2009 through June 12, 2009 of \$19.9927. The number of shares issued on September 21, 2009 as a result of the dividend was calculated based on the volume weighted average trading prices of the Company's common stock on the New York Stock Exchange on September 9, 2009 through September 11, 2009 of \$28.51. The number of shares issued on December 21, 2009 as a result of the dividend was calculated based on the volume weighted average trading prices of the Company's common stock on the New York Stock Exchange on December 9, 2009 through December 11, 2009 of \$30.16. The number of shares issued on March 22, 2010 as a result of the dividend was calculated based on the volume weighted average trading prices of the Company's common stock on the New York Stock Exchange on March 10, 2010 through March 12, 2010 of \$38.53.

Warrants:

On September 3, 2009, the Company issued three warrants in connection with the sale of a 75% ownership interest in FlatIron Crossing. (See Note 4—Investments in Unconsolidated Joint Ventures.) The warrants provide for a purchase in the aggregate of 1,250,000 shares of the Company's common stock. The warrants were valued at \$8,068 and recorded as a credit to additional paid-in capital. Each warrant has a three-year term and was immediately exercisable upon its issuance, has an exercise price of approximately \$30.62 per share until September 3, 2011 and an exercise price of approximately \$34.79 from September 4, 2011 until September 3, 2012, with such prices subject to anti-dilutive adjustments. The warrants allow for either gross or net issue settlement at the option of the warrant holder. In the event that the warrant holder elects a net issue settlement, the Company may elect to settle the warrants in cash or shares. In addition, the Company has entered into registration rights agreements with the warrant holders requiring the Company to use its best efforts to provide certain registration rights regarding the resale of shares of common stock underlying each warrant.

On September 30, 2009, the Company issued a warrant in connection with its formation of a co-venture to own and operate Freehold Raceway Mall and Chandler Fashion Center. (See Note 12—

The warrant allows for either gross or net issue settlement at the option of the warrant holder. In the event that the warrant holder elects a net issue settlement, the Company may elect to settle the warrant in cash or shares; provided, however, that in the event the Company elects to deliver cash, the holder may elect to instead have the exercise of the warrant satisfied in shares. In addition, the Company has entered into a registration rights agreement with the warrant holders requiring the Company to use its best efforts to provide certain registration rights regarding the resale of shares of common stock underlying the warrant.

The issuance of the warrants was exempt from registration under the Securities Act of 1933, as amended ("Securities Act"), pursuant to Section 4(2) of the Securities Act. Each investor represented that it was an accredited investor, as defined in Rule 501 of Regulation D, and that it was acquiring the securities for its own account, not as nominee or agent, and not with a view to the resale or distribution of any part thereof in violation of the Securities Act.

The net proceeds of the offering, after giving effect to the issuance and sale of all 31,000,000 shares of common stock at an initial price to the public of \$41.00 per share, were approximately \$1,221,431 after deducting underwriting discounts, commissions and other transaction costs. The Company used a portion of the net proceeds of the offering to pay down its line of credit in full and the balance will be used for debt repayments or general corporate purposes.

15. Discontinued Operations:

The following operations were recently discontinued:

Mervyn's:

In June 2009, the Company recorded an impairment charge of \$25,958, as it relates to the fee and/or ground leasehold interests in five former Mervyn's stores due to the anticipated loss on the sale of these properties in July 2009. The Company used the proceeds from the sales to pay down the Company's term loan and for general corporate purposes.

On September 29, 2009, the Company sold a leasehold interest in a former Mervyn's location for \$4,510, resulting in a gain on sale of \$4,087. The Company used the proceeds from the sale to pay down the Company's line of credit and for general corporate purposes.

THE MACERICH COMPANY**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Continued)****(Dollars in thousands, except per share amounts)****(Unaudited)****16. Commitments and Contingencies:**

The Company has certain properties subject to non-cancelable operating ground leases. The leases expire at various times through 2107, subject in some cases to options to extend the terms of the lease. Certain leases provide for contingent rent payments based on a percentage of base rental income, as defined in the lease. Ground rent expenses were \$1,587 and \$2,035 for the three months ended March 31, 2010 and 2009, respectively. No contingent rent was incurred during the three months ended March 31, 2010 or 2009.

As of March 31, 2010 and December 31, 2009, the Company was contingently liable for \$26,440 in letters of credit guaranteeing performance by the Company of certain obligations relating to the Centers. The Company does not believe that these letters of credit will result in a liability to the Company. In addition, the Company has a \$24,000 letter of credit that serves as collateral for a liability assumed in the acquisition of Shoppingtown Mall.

The Company has entered into a number of construction agreements related to its redevelopment and development activities. Obligations under these agreements are contingent upon the completion of the services within the guidelines specified in the agreement. At March 31, 2010, the Company had \$37,070 in outstanding obligations under these construction agreements which it believes will be settled in 2010.

17. Related-Party Transactions:

Certain unconsolidated joint ventures and third-parties have engaged the Management Companies to manage the operations of the Centers. Under these arrangements, the Management Companies are reimbursed for compensation paid to on-site employees, leasing agents and project managers at the Centers, as well as insurance costs and other administrative expenses.

The following are fees charged to unconsolidated joint ventures and third-party managed properties:

	For the Three Months Ended March 31,	
	2010	2009
Management Fees	\$ 6,910	\$ 5,327
Development and Leasing Fees	2,167	1,867
	<u>\$ 9,077</u>	<u>\$ 7,194</u>

Certain mortgage notes on the properties are held by NML (See Note 10—Mortgage Notes Payable). Interest expense in connection with these notes was \$3,102 and \$5,790 for the three months ended March 31, 2010 and 2009, respectively. Included in accounts payable and accrued expenses is interest payable to these partners of \$949 and \$954 at March 31, 2010 and December 31, 2009, respectively.

As of March 31, 2010 and December 31, 2009, the Company had loans to unconsolidated joint ventures of \$2,705 and \$2,316, respectively. Interest income associated with these notes was \$31 and

\$16 for the three months ended March 31, 2010 and 2009, respectively. These loans represent initial funds advanced for development stage projects prior to construction loan funding. Correspondingly, loan payables in the same amount have been accrued as an obligation by the various joint ventures.

Due from affiliates of \$5,846 and \$6,034 at March 31, 2010 and December 31, 2009, respectively, represents unreimbursed costs and fees due from unconsolidated joint ventures under management agreements.

18. Share and Unit-Based Plans:

The Company has established share and unit-based compensation plans for the purpose of attracting and retaining executive officers, directors and key employees. In addition, the Company has established an Employee Stock Purchase Plan to allow employees to purchase the Company's common stock at a discount.

On February 25, 2009, the Company reduced its workforce by 142 employees out of a total of approximately 2,845 regular and temporary employees. This reduction in workforce was a result of the Company's review and realignment of its strategic priorities, including its expectation of reduced development and redevelopment activity in the near future. As part of the plan, the Company accelerated the vesting of the share and unit-based awards of certain terminated employees. As a result of the modification of the awards, the Company recorded a reduction in compensation cost of \$487.

On March 26, 2010, as part of a separation agreement with a former executive, the Company modified the awards of 83,794 restricted stock units and 5,109 units granted under the Long-Term Incentive Plan ("LTIP") then outstanding. As a result of this modification, the Company recognized an additional \$599 of compensation cost in the three months ended March 31, 2010.

On March 5, 2010, the Company granted 232,632 LTIP Units to four executive officers at a weighted average grant date fair value of \$48.89. The new grants vest over a service period ending January 31, 2011 based on the percentile ranking of the Company in terms of total return to stockholders (the "Total Return") per common stock share relative to the Total Return of a group of peer REITs, as measured at the end of the measurement period. Upon the occurrence of specified events and subject to the satisfaction of applicable vesting conditions, LTIP Units (after conversion into OP Units) are ultimately redeemable for common stock on a one-unit for one-share basis.

The fair value of the Company's LTIP Units was estimated on the date of grant using a Monte Carlo Simulation model. The stock price of the Company, along with the stock prices of the group of peer REITs, was assumed to follow the Multivariate Geometric Brownian Motion Process. Multivariate Geometric Brownian Motion modeling is commonly used in financial markets, as it allows the modeled quantity (in this case, the stock price) to vary randomly from its current value based on the stock price's expected volatility and current market interest rates. The volatilities of the returns on the price of the Company and the peer group REITs were estimated based on a .91-year look-back period. The expected growth rate of the stock prices over the derived service period was determined with consideration of the risk free rate as of the grant date.

19. Income Taxes:

The Company elected to be taxed as a REIT under the Internal Revenue Code of 1986, as amended, commencing with its taxable year ended December 31, 1994. To qualify as a REIT, the Company must meet a number of organizational and operational requirements, including a requirement that it distribute at least 90% of its taxable income to its stockholders. It is management's current intention to adhere to these requirements and maintain the Company's REIT status. As a REIT, the Company generally will not be subject to corporate level federal income tax on net income it distributes currently to its stockholders. If the Company fails to qualify as a REIT in any taxable year, then it will

19. Income Taxes: (Continued)

be subject to federal income taxes at regular corporate rates (including any applicable alternative minimum tax) and may not be able to qualify as a REIT for four subsequent taxable years. Even if the Company qualifies for taxation as a REIT, the Company may be subject to certain state and local taxes on its income and property and to federal income and excise taxes on its undistributed taxable income, if any.

Each partner is taxed individually on its share of partnership income or loss, and accordingly, no provision for federal and state income tax is provided for the Operating Partnership in the consolidated financial statements.

The Company has made Taxable REIT Subsidiary elections for all of its corporate subsidiaries other than its Qualified REIT Subsidiaries. The elections, effective for the year beginning January 1, 2001 and future years, were made pursuant to section 856(l) of the Internal Revenue Code. The Company's Taxable REIT Subsidiaries ("TRSs") are subject to corporate level income taxes which are provided for in the Company's consolidated financial statements. The Company's primary TRSs include Macerich Management Company and Westcor Partners, L.L.C.

The income tax benefit of the TRSs is as follows:

	For the Three Months Ended March 31,	
	2010	2009
Current	\$ —	\$ (90)
Deferred	1,215	891
Total income tax benefit	\$ 1,215	\$ 801

Deferred tax assets and liabilities are recognized for the expected future tax consequences of events that have been included in the financial statements or tax returns. Under this method, deferred tax assets and liabilities are determined based on the differences between the financial reporting and tax bases of assets and liabilities using enacted tax rates in effect for the year in which the differences are expected to reverse. The deferred tax assets and liabilities of the TRSs relate primarily to differences in the book and tax bases of property and to operating loss carryforwards for federal and state income tax purposes. A valuation allowance for deferred tax assets is provided if the Company believes it is more likely than not that all or some portion of the deferred tax assets will not be realized. Realization of deferred tax assets is dependent on the Company generating sufficient taxable income in future periods. The net operating loss carryforwards are currently scheduled to expire through 2028, beginning in 2014. Net deferred tax assets of \$14,338 and \$11,866 were included in deferred charges and other assets, net at March 31, 2010 and December 31, 2009, respectively.

The tax years 2006-2008 remain open to examination by the taxing jurisdictions to which the Company is subject. The Company does not expect that the total amount of unrecognized tax benefit will materially change within the next 12 months.

The net proceeds of the offering, after giving effect to the issuance and sale of all 31,000,000 shares of common stock at an initial price to the public of \$41.00 per share, were approximately \$1,221,431 after deducting underwriting discounts, commissions and other transaction costs. Management's Overview and Summary

The Company is involved in the acquisition, ownership, development, redevelopment, management and leasing of regional and community shopping centers located throughout the United States. The Company is the sole general partner of, and owns a majority of the ownership interests in, the Operating Partnership. As of March 31, 2010, the Operating Partnership owned or had an ownership interest in 71 regional shopping centers and 14 community shopping centers totaling approximately 74 million square feet of gross leasable area or, GLA. These 85 regional and community shopping centers are referred to hereinafter as the "Centers," unless the context otherwise requires. The Company is a self-administered and self-managed REIT and conducts all of its operations through the Operating Partnership and the Management Companies.

The following discussion is based primarily on the consolidated financial statements of the Company for the three months ended March 31, 2010 and 2009. It compares the results of operations and cash flows for the three months ended March 31, 2010 to the results of operations for the three months ended March 31, 2009. This information should be read in conjunction with the accompanying consolidated financial statements and notes thereto.

Acquisitions and Dispositions:

In June 2009, the Company recorded an impairment charge of \$1.0 million, as it related to the anticipated loss on the sale of Village Center, a 170,801 square foot urban village property, in July 2009. The Company subsequently sold the property on July 14, 2009 for \$11.9 million in total proceeds, resulting in a gain of \$0.1 million related to a change in estimate in transaction costs. The Company used the proceeds from the sale to pay down a term loan and for general corporate purposes.

During the fourth quarter of 2009, the Company sold five non-core community centers for \$71.3 million, resulting in aggregate loss on sales of \$16.9 million. The Company used the proceeds from these sales to pay down the Company's line of credit and for general corporate purposes.

Mervyn's:

In December 2007, the Company purchased a portfolio of ground leasehold interest and/or fee interests in 39 freestanding Mervyn's stores located in the Southwest United States. In January 2008, the Company purchased a ground leasehold interest in a freestanding Mervyn's store located in Hayward, California and in February 2008, the Company purchased a fee simple interest in a freestanding Mervyn's store located in Monrovia, California. These former Mervyn's stores are referred to herein as the "Mervyn's Properties."

In July 2008, Mervyn's filed for bankruptcy protection and announced in October its plans to liquidate all merchandise, auction its store leases and wind down its business. The Company had 45 former Mervyn's stores in its portfolio. The Company owned the ground leasehold and/or fee simple interest in 44 of those stores and the remaining store was owned by a third party but is located at one of the Centers.

In December 2008, Kohl's and Forever 21 assumed a total of 23 of the Mervyn's leases and the remaining 22 leases were rejected by Mervyn's under the bankruptcy laws. In addition, on December 19, 2008, the Company sold a fee and/or ground leasehold interest in three former Mervyn's stores to Pacific Premier Retail Trust, one of its joint ventures, for \$43.4 million, resulting in a gain on sale of assets of \$1.5 million.

In June 2009, the Company recorded an impairment charge of \$26.0 million, as it relates to the fee and/or ground leasehold interests in five former Mervyn's stores due to the anticipated loss on the sale of these properties in July 2009. The Company subsequently sold the properties in July 2009 for \$52.7 million in total proceeds, resulting in an additional \$0.5 million loss related to transaction costs. The Company used the proceeds from the sales to pay down the Company's term loan and for general corporate purposes.

On September 29, 2009, the Company sold a leasehold interest in a former Mervyn's store for \$4.5 million, resulting in a gain on sale of \$4.1 million. The Company used the proceeds from the sale to pay down the Company's line of credit and for general corporate purposes.

As of March 31, 2010, 14 former Mervyn's stores in the Company's portfolio remain vacant. The Company is currently seeking replacement tenants for these spaces.

Other Transactions:

On July 30, 2009, the Company sold a 49% ownership interest in Queens Center to a third party for approximately \$152.7 million, resulting in a gain on sale of assets of \$154.2 million. The Company

used the proceeds from the sale of the ownership interest in the property to pay down the Company's term loan and for general corporate purposes. As of the date of the sale, the Company has accounted for the operations of Queens Center under the equity method of accounting.

On September 3, 2009, the Company formed a joint venture with a third party, whereby the Company sold a 75% interest in FlatIron Crossing and received approximately \$123.8 million in cash proceeds for the overall transaction. The Company used the proceeds from the sale of the ownership interest in the property to pay down the term loan and for general corporate purposes. As part of this transaction, the Company issued three warrants for an aggregate of 1,250,000 shares of common stock of the Company. (See Note 14—Stockholders' Equity in the Company's Notes to Consolidated Financial Statements). As of the date of the sale, the Company has accounted for the operations of FlatIron Crossing under the equity method of accounting.

Queens Center and FlatIron Crossing are referred to herein as the "Joint Venture Centers."

On September 30, 2009, the Company formed a joint venture with a third party, whereby the third party acquired a 49.9% interest in Freehold Raceway Mall and Chandler Fashion Center. The Company received approximately \$174.6 million in cash proceeds for the overall transaction. The Company used the proceeds from this transaction to pay down the Company's line of credit and for general corporate purposes. As part of this transaction, the Company issued a warrant for an aggregate of 935,358 shares of common stock of the Company. (See Note 14—Stockholders' Equity in the Company's Notes to Consolidated Financial Statements). The transaction has been accounted for as a profit-sharing arrangement, and accordingly the assets, liabilities and operations of the properties remain on the books of the Company and a co-venture obligation was established for the net cash proceeds received from the third party less costs allocated to the warrant.

Redevelopment and Development Activity:

Northgate Mall, the Company's 712,771 square foot regional mall in Marin County, California, opened the first phase of its redevelopment on November 12, 2009. As of March 31, 2010, the Company has incurred approximately \$73.7 million of redevelopment costs for this Center and is estimating it will incur approximately \$5.3 million of additional costs during the remainder of the year.

Santa Monica Place in Santa Monica, California, is scheduled to open in August 2010 and this project will include anchors Bloomingdale's and Nordstrom. As of March 31, 2010, the Company has incurred approximately \$190.9 million of redevelopment costs for this Center and is estimating it will incur approximately \$74.1 million of additional costs during the remainder of the year.

Inflation:

In the last three years, inflation has not had a significant impact on the Company because of a relatively low inflation rate. Most of the leases at the Centers have rent adjustments periodically through the lease term. These rent increases are either in fixed increments or based on using an annual multiple of increases in the Consumer Price Index ("CPI"). In addition, about 6% to 13% of the leases expire each year, which enables the Company to replace existing leases with new leases at higher base rents if the rents of the existing leases are below the then existing market rate. Additionally, historically the majority of the leases required the tenants to pay their pro rata share of operating expenses. In January 2005, the Company began entering into leases that require tenants to pay a stated amount for operating expenses, generally excluding property taxes, regardless of the expenses actually incurred at any Center. This change shifts the burden of cost control to the Company.

Seasonality:

The shopping center industry is seasonal in nature, particularly in the fourth quarter during the holiday season when retailer occupancy and retail sales are typically at their highest levels. In addition, shopping malls achieve a substantial portion of their specialty (temporary retailer) rents during the

holiday season and the majority of percentage rent is recognized in the fourth quarter. As a result of the above, earnings are generally higher in the fourth quarter.

Critical Accounting Policies

The preparation of financial statements in conformity with generally accepted accounting principles ("GAAP") in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Some of these estimates and assumptions include judgments on revenue recognition, estimates for common area maintenance and real estate tax accruals, provisions for uncollectible accounts, impairment of long-lived assets, the allocation of purchase price between tangible and intangible assets, and estimates for environmental matters. The Company's significant accounting policies are described in more detail in Note 2—Summary of Significant Accounting Policies in the Company's Notes to the Consolidated Financial Statements. However, the following policies are deemed to be critical.

Revenue Recognition:

Minimum rental revenues are recognized on a straight-line basis over the term of the related lease. The difference between the amount of rent due in a year and the amount recorded as rental income is referred to as the "straight line rent adjustment." Currently, 57% of the mall and freestanding leases contain provisions for CPI rent increases periodically throughout the term of the lease. The Company believes that using an annual multiple of CPI increases, rather than fixed contractual rent increases, results in revenue recognition that more closely matches the cash revenue from each lease and will provide more consistent rent growth throughout the term of the leases. Percentage rents are recognized when the tenants' specified sales targets have been met. Estimated recoveries from certain tenants for their pro rata share of real estate taxes, insurance and other shopping center operating expenses are recognized as revenues in the period the applicable expenses are incurred. Other tenants pay a fixed rate and these tenant recoveries' revenues are recognized on a straight-line basis over the term of the related leases.

Property:

The Company capitalizes costs incurred in redevelopment and development of properties. The costs of land and buildings under development include specifically identifiable costs. The capitalized costs include pre-construction costs essential to the development of the property, development costs, construction costs, interest costs, real estate taxes, salaries and related costs and other costs incurred during the period of development. Capitalized costs are allocated to the specific components of a project that are benefited. The Company considers a construction project as completed and held available for occupancy and ceases capitalization of costs when the areas under development have been substantially completed.

Maintenance and repair expenses are charged to operations as incurred. Costs for major replacements and betterments, which includes HVAC equipment, roofs, parking lots, etc., are capitalized and depreciated over their estimated useful lives. Gains and losses are recognized upon disposal or retirement of the related assets and are reflected in earnings.

Property is recorded at cost and is depreciated using a straight-line method over the estimated useful lives of the assets as follows:

Buildings and improvements	5 - 40 years
Tenant improvements	5 - 7 years
Equipment and furnishings	5 - 7 years

Accounting for Acquisitions:

The Company first determines the value of land and buildings utilizing an "as if vacant" methodology. The Company then assigns a fair value to any debt assumed at acquisition. The balance of the purchase price is allocated to tenant improvements and identifiable intangible assets or liabilities. Tenant improvements represent the tangible assets associated with the existing leases valued on a fair market value basis at the acquisition date prorated over the remaining lease terms. The tenant improvements are classified as an asset under property and are depreciated over the remaining lease terms. Identifiable intangible assets and liabilities relate to the value of in-place operating leases which come in three forms: (i) leasing commissions and legal costs, which represent the value associated with "cost avoidance" of acquiring in-place leases, such as lease commissions paid under terms generally experienced in the Company's markets; (ii) value of in-place leases, which represents the estimated loss of revenue and of costs incurred for the period required to lease the "assumed vacant" property to the occupancy level when purchased; and (iii) above or below market value of in-place leases, which represents the difference between the contractual rents and market rents at the time of the acquisition, discounted for tenant credit risks. Leasing commissions and legal costs are recorded in deferred charges and other assets and are amortized over the remaining lease terms. The value of in-place leases are recorded in deferred charges and other assets and amortized over the remaining lease terms plus an estimate of renewal of the acquired leases. Above or below market leases are classified in deferred charges and other assets or in other accrued liabilities, depending on whether the contractual terms are above or below market, and the asset or liability is amortized to minimum rents over the remaining terms of the leases.

Asset Impairment:

The Company assesses whether there has been impairment in the value of its long-lived assets by considering factors such as expected future operating income, trends and prospects, as well as the effects of demand, competition and other economic factors. Such factors include the tenant's ability to perform its duties and pay rent under the terms of the leases. The Company may recognize impairment losses if the cash flows are not sufficient to cover its investment. Such a loss would be determined as the difference between the carrying value and the fair value of a center.

The Company reviews its investments in unconsolidated joint ventures for a series of operating losses and other factors that may indicate that a decrease in the value of its investments has occurred which is other-than-temporary. The investment in each unconsolidated joint venture is evaluated periodically, and as deemed necessary, for recoverability and valuation declines that are other than temporary.

Fair Value of Financial Instruments:

The fair value hierarchy distinguishes between market participant assumptions based on market data obtained from sources independent of the reporting entity and the reporting entity's own assumptions about market participant assumptions.

Level 1 inputs utilize quoted prices in active markets for identical assets or liabilities that the Company has the ability to access. Level 2 inputs are inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly or indirectly. Level 2 inputs may include quoted prices for similar assets and liabilities in active markets, as well as inputs that are observable for the asset or liability (other than quoted prices), such as interest rates, foreign exchange rates, and yield curves that are observable at commonly quoted intervals. Level 3 inputs are unobservable inputs for the asset or liability, which are typically based on an entity's own assumptions, as there is little, if any, related market activity. In instances where the determination of the fair value measurement is based on inputs from different levels of the fair value hierarchy, the level in the fair value hierarchy within which the entire fair value measurement falls is based on the lowest level input that is significant to the fair value measurement in its entirety. The Company's assessment of the

significance of a particular input to the fair value measurement in its entirety requires judgment, and considers factors specific to the asset or liability.

The Company calculates the fair value of financial instruments and includes this additional information in the notes to consolidated financial statements when the fair value is different than the carrying value of those financial instruments. When the fair value reasonably approximates the carrying value, no additional disclosure is made.

Deferred Charges:

Costs relating to obtaining tenant leases are deferred and amortized over the initial term of the agreement using the straight-line method. As these deferred leasing costs represent productive assets incurred in connection with the Company's provision of leasing arrangements at the Centers, the related cash flows are classified as investing activities within the Company's Statement of Cash Flow. Costs relating to financing of shopping center properties are deferred and amortized over the life of the related loan using the straight-line method, which approximates the effective interest method. In-place lease values are amortized over the remaining lease term plus an estimate of the renewal term. Leasing commissions and legal costs are amortized on a straight-line basis over the individual remaining lease years. The ranges of the terms of the agreements are as follows:

Deferred lease costs	1 - 15 years
Deferred financing costs	1 - 15 years
In-place lease values	Remaining lease term plus an estimate for renewal

Results of Operations

Many of the variations in the results of operations, discussed below, occurred due to the transactions described above, including the Mervyn's Properties, the Redevelopment Centers and the Joint Venture Centers. The "Same Centers" include all consolidated Centers, excluding the Mervyn's Properties, the Joint Venture Centers and the Redevelopment Centers.

The "Redevelopment Centers" include Northgate Mall, Santa Monica Place and Shoppingtown Mall.

Unconsolidated joint ventures are reflected using the equity method of accounting. The Company's pro rata share of the results from these Centers is reflected in the Consolidated Statements of Operations as equity in income from unconsolidated joint ventures.

The U.S. economy, real estate industry as a whole, and the local markets in which the Centers are located have in recent years experienced adverse economic conditions, resulting in an economic recession as well as disruptions in the capital and credit markets. These difficult economic conditions have adversely impacted consumer spending levels and the operating results of the Company's tenants. The Company's ability to lease space and negotiate rents at advantageous rates has been, and may continue to be, adversely affected in this type of economic environment, and more tenants may seek rent relief. The spread between rents on executed leases and expiring leases was negative during the quarter ended March 31, 2010. While recent economic data has shown signs of improvement in the retail industry, the Company cannot predict if this trend will continue. If this positive trend does not continue, a further continuation of these adverse conditions could harm the Company's business, results of operations and financial condition.

Comparison of Three Months Ended March 31, 2010 and 2009

Revenues:

Minimum and percentage rents (collectively referred to as "rental revenue") decreased by \$21.0 million, or 16.7%, from 2009 to 2010. The decrease in rental revenue is attributed to a decrease of \$19.9 million from the Joint Venture Centers and \$2.9 million from the Same Centers which is offset in part by an increase of \$1.8 million from the Redevelopment Centers.

Rental revenue includes the amortization of above and below-market leases, the amortization of straight-line rents and lease termination income. The amortization of above and below-market leases decreased from \$2.9 million in 2009 to \$2.0 million in 2010. The amortization of straight-lined rents decreased from \$0.6 million in 2009 to \$0.4 million in 2010. Lease termination income decreased from \$1.1 million in 2009 to \$0.7 million in 2010.

Tenant recoveries decreased \$3.1 million, or 4.9%, from 2009 to 2010. The decrease in tenant recoveries is attributed to a decrease of \$9.7 million from the Joint Venture Centers offset in part by an increase of \$5.5 million from the Same Centers, \$0.8 million from the Redevelopment Centers and \$0.3 million from the Mervyn's Properties. The increase in Same Centers is due to an increase in recoverable operating expenses, utilities and property taxes.

Shopping Center and Operating Expenses:

Shopping center and operating expenses decreased \$8.6 million, or 12.4%, from 2009 to 2010. The decrease in shopping center and operating expenses is attributed to a decrease of \$11.1 million from the Joint Venture Centers offset in part by an increase of \$1.8 million from the Same Centers, \$0.6 million from the Redevelopment Centers and \$0.1 million from the Mervyn's Properties.

Management Companies' Operating Expenses:

Management Companies' operating expenses decreased \$1.2 million from 2009 to 2010 due to severance costs paid in connection with the implementation of the Company's workforce reduction plan in 2009.

REIT General and Administrative Expenses:

REIT general and administrative expenses increased by \$2.3 million from 2009 to 2010. The increase is primarily due to additional compensation costs.

Depreciation and Amortization:

Depreciation and amortization decreased \$4.3 million from 2009 to 2010. The decrease in depreciation and amortization is primarily attributed to a decrease of \$5.1 million from the Joint Venture Centers and \$0.1 million from the Mervyn's Properties offset in part by an increase of \$1.0 million from Redevelopment Centers.

Interest Expense:

Interest expense decreased \$14.5 million from 2009 to 2010. The decrease in interest expense was primarily attributed to a decrease of \$7.9 million from the Joint Venture Centers, \$3.2 million from the Redevelopment Centers, \$2.0 million from a term loan, \$1.9 million from borrowings under the Company's line of credit and \$1.6 million from the Senior Notes offset in part by an increase of \$2.1 million from the Same Centers.

The above interest expense items are net of capitalized interest, which increased from \$5.1 million in 2009 to \$8.2 million in 2010 due to an increase in the cost of borrowing.

Gain on Early Extinguishment of Debt:

The Company recorded a gain of \$22.5 million on the early extinguishment of \$56.8 million of the Senior Notes in 2009. (See "Note 11—Bank and Other Notes Payable in the Company's Notes to the Consolidated Financial Statements").

Equity in Income of Unconsolidated Joint Ventures:

Equity in income of unconsolidated joint ventures increased \$0.5 million from 2009 to 2010.

Gain on Sale or Write-down of Assets:

In 2009, the Company recognized gain of \$1.4 million on sale of land offset in part by a write down of \$0.6 million of development costs.

Discontinued Operations:

The Company recorded a loss from discontinued operations of \$0.1 million in 2010 compared to income of \$2.3 million in 2009. The reduction in income is primarily attributed to the sale in 2009 of six non-core community centers and five former Mervyn's stores.

Net (Loss) Income Attributable to Noncontrolling Interests:

Net (loss) income attributable to noncontrolling interests decreased \$2.9 million from 2009 to 2010. The decrease in net income from noncontrolling interests is attributable to a decrease in net income from 2009 to 2010.

Funds From Operations ("FFO"):

Primarily as a result of the factors mentioned above, FFO—diluted decreased 30.4% from \$102.8 million in 2009 to \$71.6 million in 2010. For disclosure of net income, the most directly comparable GAAP financial measure, for the periods and a reconciliation of FFO and FFO—diluted to net income available to common stockholders, see "Funds from Operations."

Operating Activities:

Cash provided by operations increased from \$21.6 million in 2009 to \$64.9 million in 2010. The increase was primarily due to an increase in accounts payable and other accrued liabilities changes, a decrease in assets and liabilities in 2009 compared to 2010, and the results at the Centers as discussed above.

Investing Activities:

Cash used in investing activities increased from \$2.2 million in 2009 to \$51.6 million in 2010. The increase was primarily due to a decrease in distributions from unconsolidated joint ventures of \$39.3 million and an increase in capital expenditures of \$11.2 million.

The decrease in distributions from unconsolidated joint ventures is primarily due to the receipt of the Company's pro rata share of proceeds from the refinancing of the mortgage loan on a property in the Pacific Premier Retail Trust joint venture portfolio.

Financing Activities:

Cash used in financing activities increased from \$6.3 million in 2009 to \$10.3 million in 2010. The increase was primarily attributed to an increase in payments on mortgages, bank and other notes payable of \$86.2 million, a decrease in proceeds from the mortgages, bank and other notes payable of

\$7.5 million and distributions to co-venture partner of \$3.5 million in 2010. These increases are offset in part by the decrease in dividends and distributions of \$62.1 million and the repurchase of the Senior Notes of \$31.0 million in 2009.

Liquidity and Capital Resources

The Company anticipates meeting its liquidity needs for its operating expenses and debt service and dividend requirements through cash generated from operations, working capital reserves and/or borrowings under its unsecured line of credit. The completion of the Company's stock offering in April 2010, which raised net proceeds of approximately \$1.2 billion, provided the Company with additional liquidity.

The following tables summarize capital expenditures incurred at the Centers:

(Dollars in thousands)	For the Three Months Ended March 31,	
	2010	2009
Consolidated Centers:		
Acquisitions of property and equipment	\$ 2,183	\$ 3,159
Development, redevelopment and expansion of Centers	35,686	58,853
Renovations of Centers	2,193	2,510
Tenant allowances	2,024	1,566
Deferred leasing charges	8,153	6,617
	<u>\$ 50,239</u>	<u>\$ 72,705</u>
Joint Venture Centers (at Company's pro rata share) :		
Acquisitions of property and equipment	\$ 144	\$ 1,176
Development, redevelopment and expansion of Centers	7,059	14,999
Renovations of Centers	1,400	787
Tenant allowances	567	844
Deferred leasing charges	1,185	876
	<u>\$ 10,355</u>	<u>\$ 18,682</u>

Management expects levels to be incurred in future years for tenant allowances and deferred leasing charges to be comparable or less than 2009 and that capital for those expenditures will be available from working capital, cash flow from operations, borrowings on property specific debt or unsecured corporate borrowings. The Company expects to incur between \$150 million and \$200 million in the next year for development, redevelopment, expansion and renovations. Capital for these major expenditures, developments and/or redevelopments has been, and is expected to continue to be, obtained from a combination of equity or debt financings, which include borrowings under the Company's line of credit and construction loans. In addition to the Company's recent equity offering, the Company has also generated additional liquidity in the past through joint venture transactions and the sale of non-core assets, and may continue to do so in the future.

The capital and credit markets can fluctuate, and at times, limit access to debt and equity financing for many companies. As demonstrated by the Company's recent activity, including its April 2010 equity offering, the Company was able to access capital; however, there is no assurance the Company will be able to do so in future periods or on similar terms and conditions. Many factors impact the Company's ability to access capital, such as its overall debt level, interest rates, interest coverage ratios and prevailing market conditions. In the event that the Company has significant tenant defaults as a result of the overall economy and general market conditions, the Company could have a decrease in cash flow from operations, which could create further borrowings under its line of credit. These events could

result in an increase in the Company's proportion of variable-rate debt, which would cause it to be subject to interest rate fluctuations in the future.

The Company's total outstanding loan indebtedness at March 31, 2010 was \$6.8 billion (including \$1.3 billion of unsecured debt and \$2.2 billion of its pro rata share of joint venture debt) which included approximately \$690.0 million of outstanding borrowings under the Company's line of credit that the Company paid in full with proceeds from the recent equity offering as further discussed below. The majority of the Company's debt consists of fixed-rate conventional mortgages payable collateralized by individual properties. The Company expects that all 2010 debt maturities will be refinanced, extended and/or paid off from the Company's line of credit or cash on hand.

On March 16, 2007, the Company issued \$950 million in Senior Notes that mature on March 15, 2012. The Senior Notes bear interest at 3.25%, payable semiannually, are senior to unsecured debt of the Company and are guaranteed by the Operating Partnership. The carrying value of the Senior Notes at March 31, 2010 was \$616.9 million. See Note 11—Bank and Other Notes Payable in the Company's Notes to the Consolidated Financial Statements.

The Company has a \$1.5 billion revolving line of credit that bears interest at LIBOR plus a spread of 0.75% to 1.10% depending on the Company's overall leverage that was scheduled to mature on April 25, 2010. On April 25, 2010, the Company extended the maturity date to April 25, 2011. The Company has an interest rate swap agreement that effectively fixed the interest rate on \$400.0 million of the outstanding balance of the line of credit at 6.08% until maturity. In addition, until April 15, 2010 the Company had another interest rate swap agreement that effectively fixed the interest rate on \$290.0 million of the line of credit at 6.13% until April 15, 2010. As of March 31, 2010, borrowings outstanding were \$690.0 million at an average interest rate of 6.26%. As of April 20, 2010, the Company has access to the entire balance of its \$1.5 billion line of credit.

On April 20, 2010, the Company completed an offering of 30,000,000 newly issued shares of its common stock and on April 23, 2010 issued an additional 1,000,000 newly issued shares of common stock in connection with the underwriters' exercise of its over-allotment option. The net proceeds of the offering, after giving effect to the issuance and sale of all 31,000,000 shares of common stock at an initial price to the public of \$41.00 per share, were approximately \$1.2 billion after deducting underwriting discounts, commissions and other transaction costs. The Company used the net proceeds of the offering to pay down its line of credit in full and plans to use the remaining cash for debt repayments or general corporate purposes.

At March 31, 2010, the Company was in compliance with all applicable loan covenants under its debt agreements.

At March 31, 2010, the Company had cash and cash equivalents available of \$96.2 million.

Off-Balance Sheet Arrangements:

The Company has an ownership interest in a number of unconsolidated joint ventures as detailed in Note 4 to the Company's Consolidated Financial Statements included herein. The Company accounts for those investments that it does not have a controlling interest or is not the primary beneficiary using the equity method of accounting and those investments are reflected on the Consolidated Balance Sheets of the Company as "Investments in Unconsolidated Joint Ventures."

In addition, certain joint ventures also have debt that could become recourse debt to the Company or its subsidiaries, in excess of the Company's pro rata share, should the joint ventures be unable to discharge the obligations of the related debt.

The following reflects the maximum amount of debt principal that could recourse to the Company at March 31, 2010 (in thousands):

<u>Property</u>	<u>Recourse Debt</u>	<u>Maturity Date</u>
Boulevard Shops	\$ 4,280	12/17/2010
Chandler Village Center	4,375	1/15/2011
The Market at Estrella Falls	8,795	6/1/2011
	<u>\$ 17,450</u>	

Additionally, as of March 31, 2010, the Company is contingently liable for \$26.4 million in letters of credit guaranteeing performance by the Company of certain obligations relating to the Centers. The Company does not believe that these letters of credit will result in a liability to the Company.

Long-term Contractual Obligations:

The following is a schedule of long-term contractual obligations as of March 31, 2010 for the consolidated Centers over the periods in which they are expected to be paid (in thousands):

<u>Contractual Obligations</u>	<u>Payment Due by Period</u>

Funds From Operations

The Company uses FFO in addition to net income to report its operating and financial results and considers FFO and FFO—diluted as supplemental measures for the real estate industry and a supplement to GAAP measures. The National Association of Real Estate Investment Trusts ("NAREIT") defines FFO as net income (loss) computed in accordance with GAAP, excluding gains (or losses) from extraordinary items and sales of depreciated operating properties, plus real estate related depreciation and amortization and after adjustments for unconsolidated partnerships and joint ventures. Adjustments for unconsolidated partnerships and joint ventures are calculated to reflect FFO on the same basis.

FFO and FFO on a fully-diluted basis are useful to investors in comparing operating and financial results between periods. This is especially true since FFO excludes real estate depreciation and amortization as the Company believes real estate values fluctuate based on market conditions rather than depreciating in value ratably on a straight-line basis over time. The Company believes that such a presentation also provides investors with a more meaningful measure of its operating results in comparison to the operating results of other REITS. Further, FFO on a fully diluted basis is one of the

measures investors find most useful in measuring the dilutive impact of outstanding convertible securities.

FFO does not represent cash flow from operations as defined by GAAP, should not be considered as an alternative to net income as defined by GAAP and is not indicative of cash available to fund all cash flow needs. The Company also cautions that FFO, as presented, may not be comparable to similarly titled measures reported by other real estate investment trusts. The reconciliation of FFO and FFO—diluted to net income available to common stockholders is provided below.

Management compensates for the limitations of FFO by providing investors with financial statements prepared according to GAAP, along with this detailed discussion of FFO and a reconciliation of FFO and FFO-diluted to net income available to common stockholders. Management believes that to further understand the Company's performance, FFO should be compared with the Company's reported net income and considered in addition to cash flows in accordance with GAAP, as presented in the Company's Consolidated Financial Statements.

The reconciliation of FFO and FFO-diluted to net income available to common stockholders is provided below.

The following reconciles net income available to common stockholders to FFO and FFO-diluted (dollars and shares in thousands):

	For the Three Months Ended March 31,

Net (loss) income—available to common stockholders	\$ (6,357)	\$ 14,016

Adjustments for the impact of dilutive securities in computing FFO-diluted:		
FFO—diluted(4)	<u>109,118</u>	<u>88,551</u>

- (1) The net total of these line items equal the loss (gain) on sales of depreciated assets. These line items are included in this reconciliation to provide the Company's investors with more detailed information and do not represent a departure from FFO as defined by NAREIT.
- (2) Unconsolidated assets are presented at the Company's pro rata share.
- (3) Calculated based upon basic net income as adjusted to reach basic FFO. As of March 31, 2010 and 2009, 12.2 million and 11.7 million OP Units were outstanding, respectively.
- (4) The computation of FFO—diluted shares outstanding includes the effect of share and unit-based compensation plans and the Senior Notes using the treasury stock method. It also assumes the conversion of MACWH, LP common and preferred units to the extent that they are dilutive to the FFO computation. The MACWH, LP preferred units were antidilutive to the calculations for the three months ended March 31, 2010 and 2009 and were not included in the above calculations.

Item 3. Quantitative and Qualitative Disclosures About Market Risk

The Company's primary market risk exposure is interest rate risk. The Company has managed and will continue to manage interest rate risk by (1) maintaining a ratio of fixed rate, long-term debt to total debt such that floating rate exposure is kept at an acceptable level, (2) reducing interest rate exposure on certain long-term floating rate debt through the use of interest rate caps and/or swaps with appropriately matching maturities, (3) using treasury rate locks where appropriate to fix rates on anticipated debt transactions, and (4) taking advantage of favorable market conditions for long-term debt and/or equity.

The following table sets forth information as of March 31, 2010 concerning the Company's long term debt obligations, including principal cash flows by scheduled maturity, weighted average interest rates and estimated fair value ("FV") (dollars in thousands):

	For the years ended March 31,					Thereafter	Total	FV

(1) Fixed rate debt includes the \$690.0 million of the line of credit and \$160.0 million of floating rate mortgages payable. These amounts have effective fixed rates over the remaining term due to the swap agreements as discussed below.

The consolidated Centers' total fixed rate debt at March 31, 2010 and December 31, 2009 was \$3.7 billion. The average interest rate on fixed rate debt at March 31, 2010 and December 31, 2009 was 6.07% and 6.27%, respectively. The consolidated Centers' total floating rate debt at March 31, 2010 and December 31, 2009 was \$892.9 million and \$840.5 million, respectively. The average interest rate on floating rate debt at March 31, 2010 and December 31, 2009 was 3.50% and 2.96%, respectively.

The Company's pro rata share of the Joint Venture Centers' fixed rate debt at March 31, 2010 and December 31, 2009 was \$1.9 billion and \$2.0 billion, respectively. The average interest rate on fixed rate debt at March 31, 2010 and December 31, 2009 was 6.16% and 6.18%, respectively. The Company's pro rata share of the Joint Venture Centers' floating rate debt at March 31, 2010 and December 31, 2009 was \$292.3 million and \$271.1 million, respectively. The average interest rate on the floating rate debt at March 31, 2010 and December 31, 2009 was 2.77% and 2.10%, respectively.

The Company uses derivative financial instruments in the normal course of business to manage or hedge interest rate risk and records all derivatives on the balance sheet at fair value (See Note 5—Derivative Instruments and Hedging Activities in the Company's Notes to the Consolidated Financial Statements).

The following are outstanding derivatives at March 31, 2010 (amounts in thousands):

<u>Property/Entity</u>	<u>Notional Amount</u>	<u>Product</u>	<u>Rate</u>	<u>Maturity</u>	<u>Company's Ownership</u>	<u>Fair Value(1)</u>

Westside Pavilion	175,000	Cap	5.50%	6/1/2010	100%	—

(1) Fair value at the Company's ownership percentage.

Interest rate cap agreements ("Cap") offer protection against floating rates on the notional amount from exceeding the rates noted in the above schedule, and interest rate swap agreements ("Swap") effectively replace a floating rate on the notional amount with a fixed rate as noted above.

In addition, the Company has assessed the market risk for its floating rate debt and believes that a 1% increase in interest rates would decrease future earnings and cash flows by approximately \$11.9 million per year based on \$1.2 billion outstanding of floating rate debt at March 31, 2010.

The fair value of the Company's long-term debt is estimated based on discounted cash flows at interest rates that management believes reflect the risks associated with long-term debt of similar risk and duration.

Item 4. Controls and Procedures

As required by Rule 13a-15(b) under the Securities Exchange Act of 1934, management carried out an evaluation, under the supervision and with the participation of the Company's Chief Executive Officer and Chief Financial Officer, of the effectiveness of the Company's disclosure controls and procedures as of the end of the period covered by this Quarterly Report on Form 10-Q. Based on their evaluation as of March 31, 2010, the Company's Chief Executive Officer and Chief Financial Officer have concluded that the Company's disclosure controls and procedures (as defined in Rule 13a-15(e) and 15d-15(e) under the Securities Exchange Act of 1934, as amended) were effective to ensure that the information required to be disclosed by the Company in the reports that it files or submits under the Securities Exchange Act of 1934 is (a) recorded, processed, summarized, and reported within the time periods specified in the SEC's rules and forms and (b) is accumulated and communicated to the Company's management, including its Chief Executive Officer and Chief Financial Officer, or persons performing similar functions, as appropriate to allow timely decisions regarding required disclosure.

In addition, there has been no change in the Company's internal control over financial reporting (as such term is defined in Rules 13a-15(f) and 15(d)-15(f) under the Securities Exchange Act of 1934) that occurred during the Company's most recent fiscal quarter that has materially affected, or is reasonably likely to materially affect, the Company's internal control over financial reporting.

SEPARATION

AGREEMENT AND RELEASE OF CLAIMS

THIS SEPARATION AGREEMENT AND RELEASE OF CLAIMS ("Agreement") is made as of March 26, 2010 by Tony Grossi ("Employee" or "You") concerning your resignation from and release of claims against The Macerich Company ("Company") or any of its client organizations.

1. Recitals.

a. Company and Employee have reached an amicable and mutual resolution of issues regarding Employee's employment which resolution includes your resignation from all employment with the Company, effective as of April 30, 2010 (the "Separation Date"), in exchange for the consideration described below from Company.

b. You acknowledge that by this Agreement you will be agreeing to a general release of all claims arising from and in any way related to your employment with Company through the date of this Agreement and in any way related to your employment with Company.

In consideration of the covenants, representations, warranties and releases made in this Agreement, and for good and sufficient consideration, as detailed below.

2A. Employment Relationship with the Company.

You will remain an active Company employee through the Separation Date which is April 30, 2010 (the "Employment Period"). During the Employment Period, you will continue to receive your base salary and associated benefits, in accordance with the Company's regular and usual payroll and benefits practices and subject to applicable payroll and benefits deductions.

Effective at the close of business on the Separation Date, you are resigning from all employment with the Company. In addition to receiving your base salary and associated benefits through the Employment Period, you will be paid for any accrued but unused vacation and personal days. On the Separation Date, you will receive your final regular paycheck. In regard to Profit Sharing/401(k) Plans and Deferred Compensation Plan, eligibility will terminate effective on the Separation Date. Marsha Chappell and Scott Kingsmore are the respective contacts for additional information under these Plans.

As you are currently enrolled in the Company's medical and dental plans, you will have the right to convert to COBRA at your own expense, with the coverage you currently are enrolled in. Your current medical and dental coverage will remain active through the Separation Date. If you choose to elect COBRA conversion, the first date of coverage under COBRA will be May 1, 2010. COBRA notification (which will detail your rights, response deadlines, cost, and payment procedures) will be mailed to you from our third party administrator. Please keep in mind that if you want coverage beyond the Separation Date, **you must initiate the enrollment process**. Luisa Sheldon is the contact for COBRA information.

2B. Consulting Agreement.

Effective at the close of business on the Separation Date, at your option, you and the Company will enter into a consulting arrangement which will run for the period of time from the Separation Date through January 31, 2011 pursuant to the terms and conditions set forth in the form of Consulting Agreement attached hereto as Exhibit A.

2C. Vesting of Restricted Stock and LTIPs.

Even though you are resigning from employment, this agreement confirms that the Compensation Committee of the Board of Directors has by resolution approved the continuing vesting of the service-based LTIPs granted to Employee on March 7, 2008 and the service-based restricted stock units granted to Employee on March 6, 2009, respectively, on the scheduled dates set forth in such grants as though you were continuing to be employed by the Company through such vesting dates and even in the case of your death, disability or changes to the current Macerich 2003 Comp Equity Incentive Plan. You acknowledge that you understand that the LTIPs that were granted to you in January 2007 (all of which have already vested), and the LTIPs granted to you on March 7, 2008, (2/3 of which have already vested and 1/3 of which will vest on March 31, 2011) have not "booked up", and that until they book up, if ever, they cannot be converted into regular Macerich OP Units, Macerich stock, or cash.

2D. 2010 Bonus.

Notwithstanding any contrary provisions of the Company's annual bonus plan or otherwise, at the time when annual bonuses are paid to the Company's other Executive Officers for the 2010 calendar year, even in the case of death, disability or changes to the current Macerich 2003 Comp Equity Incentive Plan, you shall be paid \$300,000, which represents a proportionate share of a full year Target level bonus for 2010.

2E. Consideration.

All payments are subject to normal payroll withholdings applicable to such sums. The consideration set forth in this Agreement is in lieu of any and all payments and/or other consideration of any kind which at any time has been the subject of any prior discussions, representations, inducements or promises, oral or written, direct or indirect, contingent or otherwise including, without limitation, future wage and benefit claims.

3A. Employee's Release of All Claims.

a. You make this Agreement on behalf of yourself and your ancestors, descendants, spouse, dependents, and your executors, heirs, administrators, assigns and anyone else claiming by, through or under yourself.

b. In exchange for the consideration provided to you as described in paragraph 2 above, you hereby agree to fully release, waive and forever discharge Company and all of Company's related, affiliated and client entities (including corporations, limited liability

3

I. Engagement

The Company hereby engages Consultant and Consultant hereby accepts such engagement, upon the terms and conditions hereinafter set forth, for the Consulting Term. The "Consulting Term" is the period of time commencing on the Effective Date and ending on the first to occur of: (1) January 31, 2011; (2) Consultant's written notice to the Company that he elects to terminate the Consulting Term for any reason; or (3) the date that Consultant materially breaches one of his obligations or agreements under this Consulting Agreement.

A. Performance

Consultant shall perform consulting services as requested by the Company with reasonable notice as to matters with which Consultant is familiar or about which Consultant has acquired knowledge, expertise, or experience. The Company is not obligated to call upon Consultant to provide any services or any minimum level of services.

B. Competent Service

Consultant agrees to honestly and faithfully conduct himself at all times during the performance of consulting services for the Company. Consultant agrees to perform his services in a diligent and competent manner.

II. Compensation

In consideration for the services to be provided by Consultant, the Company will pay Consultant a Consulting Fee of Fifty Six Thousand Dollars (\$56,000) each month (the "Consulting Fee"). The Consulting Fee shall be paid for each month in the Consulting Term through and including the month in which the Consulting Term ends, whether or not Consultant is called upon to perform services during that month. No Consulting Fee shall be payable with respect to any month following the month in which the Consulting Term ends. The Consulting Fee for a particular month shall be paid not later than fifteen days following that month. The Company shall have no obligation to pay or reimburse any expenses incurred by Consultant in performing the services.

III. Termination

Upon termination or expiration of the Consulting Term pursuant to Section I, this Agreement shall terminate without further obligations to or by the Consultant under this Agreement, other than for payment of Consultant's Consulting Fee through the month in which the Consulting Term ends (to the extent not theretofore paid).

IV. Relationship

A. Independent Contractor

Consultant shall operate at all times under this Consulting Agreement as an independent contractor of the Company.

9

B. Agency

This Consulting Agreement does not authorize Consultant to act as an agent of the Company or any of its affiliates or to make commitments on behalf of the Company or any of its affiliates. Consultant and the Company intend that an independent contractor relationship be created by this Consulting Agreement, and nothing herein shall be construed as creating an employer/employee relationship, partnership, joint venture, or other business group or concerted action. Consultant shall at no time hold himself out as an agent of the Company or any of its affiliates for any purpose, including reporting to any governmental authority or agency, and shall have no authority to bind the Company or any of its affiliates to any obligation whatsoever.

C. Taxes

Consultant and the Company agree that Consultant is not an employee for state or federal tax purposes. Consultant shall be solely responsible for any taxes due as a result of the payment of any consulting fee or other compensation pursuant to this Consulting Agreement. Consultant will defend and indemnify the Company and each of its affiliates from and against any tax arising out of Consultant's failure to pay such taxes with respect to any such payments. If the Company reasonably determines that applicable law requires that taxes should be withheld from any payments or other compensation and benefits pursuant to this Consulting Agreement, the Company reserves the right to withhold, as legally required, and to notify Consultant accordingly.

D. Workers' Compensation and Unemployment Insurance

Consultant is not entitled to workers' compensation benefits or unemployment compensation benefits provided by the Company. Consultant shall be solely responsible for the payment of his workers' compensation, unemployment compensation, and other such payments. Nothing in this Consulting Agreement is intended, however, to supersede or otherwise affect Consultant's rights to continued medical, dental or group health or life insurance coverage following his termination of employment with the Company pursuant to COBRA.

V. Non-Disparagement

Consultant agrees that he will not at any time during the Consulting Term, (1) directly or indirectly, make or ratify any statement, public or private, oral or written, to any person that denigrates or disparages, either professionally or personally, the Company, any of its subsidiaries or affiliates, or any of their respective directors, officers, or employees, successors or products, past and present, or (2) make any statement or engage in any conduct that has the purpose (or which a reasonable person reasonably should have known would likely have the effect) of disrupting the business of the Company or any of its subsidiaries or affiliates.

VI. Miscellaneous

**THE MACERICH COMPANY
2010 LTIP UNIT
AWARD AGREEMENT**

2010 LTIP UNIT AWARD AGREEMENT made as of date set forth on Schedule A hereto between The Macerich Company, a Maryland corporation (the "Company"), its subsidiary The Macerich Partnership, L.P., a Delaware limited partnership and the entity through which the Company conducts substantially all of its operations (the "Partnership"), and the party listed on Schedule A (the "Grantee").

RECITALS

- A. The Grantee is a key employee of the Company or one of its Subsidiaries or affiliates and provides services to the Partnership.
- B. Pursuant to its Long-Term Incentive Plan ("LTIP") the Company can award units of limited partnership interest of the Partnership designated as "LTIP Units" in the Partnership Agreement (as defined herein) under The Macerich Company 2003 Equity Incentive Plan, as amended (the "2003 Plan"), to provide certain key employees of the Company or its Subsidiaries and affiliates, including the Grantee, in connection with their employment with the long-term incentive compensation described in this Award Agreement (this "Agreement" or "Award Agreement"), and thereby provide additional incentive for them to promote the progress and success of the business of the Company and its Subsidiaries and affiliates, including the Partnership, while increasing the total return to the Company's stockholders. 2010 LTIP Units (as defined herein) have been awarded by the Compensation Committee (the "Committee") of the Board of Directors of the Company (the "Board") pursuant to authority delegated to it by the Board as set forth in the Committee's charter, including authority to make grants of equity interests in the Partnership which may, under certain circumstances, become exchangeable for shares of the Company's Common Stock reserved for issuance under the 2003 Plan, or any successor equity plan (as any such plan may be amended, modified or supplemented from time to time, collectively the "Stock Plan"). This Agreement evidences an award to the Grantee under the LTIP (this "Award"), which is subject to the terms and conditions set forth herein.
- C. The Grantee was selected by the Committee to receive this Award as one of a select group of highly compensated or management employees who, through the effective execution of their assigned duties and responsibilities, are in a position to have a direct and measurable impact on the Company's long-term financial results. Effective as of the grant date specified in Schedule A hereto, the Committee awarded to the Grantee the number of 2010 LTIP Units (as defined herein) set forth in Schedule A.

NOW, THEREFORE, the Company, the Partnership and the Grantee agree as follows:

1. **Administration.** The LTIP and all awards thereunder, including this Award, shall be administered by the Committee, which in the administration of the LTIP shall have all the powers and authority it has in the administration of the Stock Plan, as set forth in the

Stock Plan. The Committee may from time to time adopt any rules or procedures it deems necessary or desirable for the proper and efficient administration of the LTIP, consistent with the terms hereof and of the Stock Plan. The Committee's determinations and interpretations with respect to the LTIP and this Agreement shall be final and binding on all parties.

2. **Definitions.** Capitalized terms used herein without definitions shall have the meanings given to those terms in the Stock Plan. In addition, as used herein:

"Award 2010 LTIP Units" has the meaning set forth in Section 3(a).

"Award 2010-2 LTIP Units" has the meaning set forth in Section 3(b).

"Cause" for termination of the Grantee's employment means that the Company, acting in good faith based upon the information then known to the Company, determines that the Grantee has:

- (a) failed to perform in a material respect without proper cause his obligations under the Grantee's Service Agreement (if one exists);
- (b) been convicted of or pled guilty or *nolo contendere* to a felony; or
- (c) committed an act of fraud, dishonesty or gross misconduct which is materially injurious to the Company.

Any act, or failure to act, based upon authority given pursuant to a resolution duly adopted by the Applicable Board (as defined below) or upon the instructions of the Chief Executive Officer of the Company or based upon the advice of counsel or independent accountants for the Company shall be conclusively presumed for purposes of this Agreement to be done, or omitted to be done, by the Grantee in good faith and in the best interests of the Company. The cessation of employment of the Grantee shall not be deemed to be for Cause under clause (a) or (c) above unless and until there shall have been delivered to the Grantee a copy of a resolution duly adopted by the affirmative vote of at least a majority of the entire membership of the Applicable Board (excluding the Grantee and any relative of the Grantee, if the Grantee or such relative is a member of the Applicable Board) at a meeting of the Applicable Board called and held for such purpose (after reasonable notice is provided to the Grantee and the Grantee is given an opportunity, together with counsel for the Grantee, to be heard before the Applicable Board), finding that, in the good faith opinion of the Applicable Board, the Grantee is guilty of the conduct described in clause (a) or (c) above, and specifying the particulars thereof in reasonable detail. For purposes of the definition of Cause, "Applicable Board" means the Board or, if the Company is not the ultimate parent corporation of the Company and its Affiliates and is not publicly-traded, the board of directors of the ultimate parent of the Company.

"Change of Control" means any of the following:

- (a) The acquisition by any Person of beneficial ownership (within the meaning of Rule 13d-3 promulgated under the Exchange Act) of 33% or more of either (A) the then-outstanding shares of common stock of the Company (the "Outstanding Company Common Stock") or (B) the

voting securities of the Company entitled to vote generally in the election of directors (the “Outstanding Company Voting Securities”); provided, however, that, for purposes of this definition, the following acquisitions shall not constitute a Change of Control: (i) any acquisition directly from the Company, (ii) any acquisition by the Company, (iii) any acquisition by any employee benefit plan (or related trust) sponsored or maintained by the Company or any affiliate of the Company or successor or (iv) any acquisition by any entity pursuant to a transaction that complies with (c)(i), (c)(ii) and (c)(iii) below;

(b) Individuals who, as of the date hereof, constitute the Board (the “Incumbent Board”) cease for any reason to constitute at least a majority of the Board; provided, however, that any individual becoming a director subsequent to the date hereof whose election, or nomination for election by the Company’s stockholders, was approved by a vote of at least two-thirds of the directors then comprising the Incumbent Board (including for these purposes, the new members whose election or nomination was so approved, without counting the member and his predecessor twice) shall be considered as though such individual were a member of the Incumbent Board, but excluding, for this purpose, any such individual whose initial assumption of office occurs as a result of an actual or threatened election contest with respect to the election or removal of directors or other actual or threatened solicitation of proxies or consents by or on behalf of a Person other than the Board;

(c) Consummation of a reorganization, merger, statutory share exchange or consolidation or similar corporate transaction involving the Company or any of its subsidiaries, a sale or other disposition of all or substantially all of the assets of the Company, or the acquisition of assets or stock of another entity by the Company or any of its subsidiaries (each, a “Business Combination”), in each case unless, following such Business Combination, (i) all or substantially all of the individuals and entities that were the beneficial owners of the Outstanding Company Common Stock and the Outstanding Company Voting Securities immediately prior to such Business Combination beneficially own, directly or indirectly, more than 60% of the then-outstanding shares of common stock and the combined voting power of the then-outstanding voting securities entitled to vote generally in the election of directors, as the case may be, of the entity resulting from such Business Combination (including, without limitation, an entity that, as a result of such transaction, owns the Company or all or substantially all of the Company’s assets directly or through one or more subsidiaries (“Parent”)) in substantially the same proportions as their ownership immediately prior to such Business Combination of the Outstanding Company Common Stock and the Outstanding Company Voting Securities, as the case may be, (ii) no Person (excluding any entity resulting from such Business Combination or a Parent or any employee benefit plan (or related trust) of the Company or such entity resulting from such Business Combination or Parent) beneficially owns, directly or indirectly, 20% or more of, respectively, the then-outstanding shares of common stock of the entity resulting from such Business Combination or the combined voting power of the then-outstanding voting securities of such entity, except to the extent that the ownership in excess of 20% existed prior to the Business Combination, and (iii) at least a majority of the members of the board of directors or trustees of the entity resulting from such Business Combination were members of the Incumbent Board at the

time of the execution of the initial agreement or of the action of the Board providing for such Business Combination; or

(d) Approval by the stockholders of the Company of a complete liquidation or dissolution of the Company.

“Continuous Service” means the continuous service to the Company or any Subsidiary or affiliate, without interruption or termination, in any capacity of employee, or, with the written consent of the Committee, consultant. Continuous Service shall not be considered interrupted in the case of (A) any approved leave of absence, (B) transfers among the Company and any Subsidiary or affiliate, or any successor, in any capacity of employee, or with the written consent of the Committee, consultant, or (C) any change in status as long as the individual remains in the service of the Company and any Subsidiary or affiliate in any capacity of employee, member of the Board or (if the Company specifically agrees in writing that the Continuous Service is not uninterrupted) a consultant. An approved leave of absence shall include sick leave, military leave, or any other authorized personal leave.

“Disability” means (1) a “permanent and total disability” within the meaning of Section 22(e)(3) of the Code, or (2) the absence of the Grantee from his duties with the Company on a full-time basis for a period of nine months as a result of incapacity due to mental or physical illness which is determined to be total and permanent by a physician selected by the Company or its insurers and acceptable to the Grantee or his legal representative (such agreements as to acceptability not to be unreasonably withheld). “Incapacity” as used herein shall be limited only to a condition that substantially prevents the Grantee from performing his or her duties.

“Exchange Act” means the Securities Exchange Act of 1934, as amended.

“Fair Market Value” of a Share as of a particular date means the fair market value of a Share as determined by the Committee using any reasonable method and in good faith (such determination will be made in a manner that satisfies Section 409A of the Code and in good-faith as required by Section 422(c)(1) of the Code); provided that (a) if Shares are then listed on a national stock exchange, the closing sales price per share on the principal national stock exchange on which Shares are listed on such date (or, if such date is not a trading date on which there was a sale of such shares on such exchange, the last preceding date on which there was a sale of Shares on such exchange), (b) if Shares are not then listed on a national stock exchange but are then traded on an over-the-counter market, the average of the closing bid and asked prices for Shares in the principal over-the-counter market on which Shares are traded on such date (or, if such date is not a trading date on which there was a sale of Shares on such market, for the last preceding date on which there was a sale of Shares in such market), or (c) if Shares are not then listed on a national stock exchange or traded on an over-the-counter market, such value as the Committee in its discretion may in good faith determine; provided that, where Shares are

so listed or traded, the Committee may make such discretionary determinations where Shares have not been traded for 10 trading days.

“Good Reason” means an action taken by the Company, without the Grantee’s written consent thereto, resulting in a material negative change in the employment relationship. For these purposes, a “material negative change in the employment relationship” shall include, without limitation, any one or more of the following reasons, to the extent not remedied by the Company within 30 days after receipt by the Company of written notice from the Grantee provided to the Company within 90 days (the “Cure Period”) of the Grantee’s knowledge of the occurrence of an event or circumstance set forth in clauses (a) through (e) below specifying in reasonable detail such occurrence:

- (a) the assignment to the Grantee of any duties materially inconsistent in any respect with the Grantee’s position (including status, offices, titles and reporting requirements), authority, duties or responsibilities, or any other material diminution in such position, authority, duties or responsibilities (whether or not occurring solely as a result of the Company’s ceasing to be a publicly traded entity);
- (b) a change in the Grantee’s principal office location to a location further away from the Grantee’s home which is more than 30 miles from the Grantee’s current principal office;
- (c) the taking of any action by the Company to eliminate benefit plans in which the Grantee participated in or was eligible to participate in immediately prior to a Change of Control without providing substitutes therefor, to materially reduce benefits thereunder or to substantially diminish the aggregate value of the incentive awards or other fringe benefits; provided that if neither a surviving entity nor its parent following a Change of Control is a publicly-held company, the failure to provide stock-based benefits shall not be deemed good reason if benefits of comparable value using recognized valuation methodology are substituted therefor; and provided further that a reduction or elimination in the aggregate of not more than 10% in aggregate benefits in connection with across the board reductions or modifications affecting similarly situated persons of executive rank in the Company or a combined organization shall not constitute Good Reason;
- (d) any one or more reductions in the Grantee’s Base Salary that, individually or in the aggregate, exceed 10% of the Grantee’s Base Salary; or
- (e) any material breach by the Company of the Grantee’s Service Agreement (if one exists).

In the event that the Company fails to remedy the condition constituting Good Reason during the applicable Cure Period, the Grantee’s “separation from service” (within the meaning of Section 409A of the Code) must occur, if at all, within two years following the occurrence of such condition in order for such termination as a result of such condition to constitute a termination for Good Reason. If the Grantee suffers a Disability or dies following the occurrence of any of the events described in clauses (a) through (e) above and the Grantee has

5

given the Company the requisite written notice but the Company has failed to remedy the situation prior to such physical or mental incapacity or death, the Grantee’s physical or mental incapacity or death shall not affect the ability of the Grantee or his heirs or beneficiaries, as applicable, to treat the Grantee’s termination of employment as a termination for Good Reason. For purposes of the definition of Good Reason, the term “Base Salary” means the annual base rate of compensation payable to Grantee by the Company as of the Grantee’s date of termination, before deductions or voluntary deferrals authorized by the Grantee or required by law to be withheld from the Grantee by the Company. Salary excludes all other extra pay such as overtime, pensions, severance payments, bonuses, stock incentives, living or other allowances, and other perquisites.

“2010 LTIP Units” means units of limited partnership interest of the Partnership designated as “LTIP Units” in the Partnership Agreement awarded pursuant to this Agreement under the LTIP having the rights, voting powers, restrictions, limitations as to distributions, qualifications and terms and conditions of redemption set forth in the Partnership Agreement.

“Partnership Agreement” means the Amended and Restated Limited Partnership Agreement of the Partnership, dated as of March 16, 1994, among the Company, as general partner, and the limited partners who are parties thereto, as amended from time to time.

“Peer REIT” means each of the business entities qualified as real estate investment trusts (“REITs”) that are part of the constituent companies contained in the FTSE NAREIT Index excluding all REITs classified as “hybrid REITs” and all REITs classified as “mortgage REITs” within that FTSE NAREIT Index. The Committee may in its sole and absolute discretion exclude from the group of Peer REITs any REIT (A) that is in bankruptcy at any point during the Performance Period or (B) that was added to or removed from the FTSE NAREIT Index during the Performance Period or otherwise was not part of the index for the full Performance Period. In lieu of excluding such Peer REIT altogether, the Committee may adjust the calculation of Total Return to the extent determined by the Committee in its reasonable discretion.

“Peer REIT Total Return” means, for a Peer REIT, with respect to the Performance Period, the absolute total stockholder return of the common equity of such Peer REIT during the Performance Period, calculated in the same manner as Total Return is calculated for the Company.

“Performance Period” means, the period commencing on February 1, 2010 and concluding on the earliest of (a) January 31, 2011, (b) the date of a Change of Control or (c) the date of a Qualified Termination.

“Person” means an individual, corporation, partnership, limited liability company, joint venture, association, trust, unincorporated organization, other entity or “group” (as defined in the Exchange Act).

“Qualified Termination” means a termination of the Grantee’s employment (A) by the Company for no reason, or for any reason other than for Cause, death or Disability or (B) by the Grantee for Good Reason.

6

“Service Agreement” means, as of a particular date, any employment, consulting or similar service agreement, including, without limitation, management continuity agreement, then in effect between the Grantee, on the one hand, and the Company or one of its affiliates, on the other hand, as amended or supplemented through such date.

“Share Price” means, as of a particular date, the Fair Market Value of one Share for the most recent trading day immediately preceding such date; provided further, however, that if such date is the date upon which a Transactional Sale Event occurs, the Share Price as of such date shall be equal to the fair market value in cash, as determined by the Committee, of the total consideration paid or payable in the transaction resulting in the Transactional Sale Event for one Share.

“Share” means a share of Common Stock, subject to adjustments pursuant to Section 6.2 of the 2003 Plan.

“Total Return” means, with respect to the Performance Period, the compounded total annual return that would have been realized by a stockholder who (1) bought one Share on the first day of the Performance Period at the Share Price on such date, (2) reinvested each dividend and other distribution declared during such period of time with respect to such Share (and any other Shares previously received upon reinvestment of dividends or other distributions) in additional Shares at the Share Price on the applicable dividend payment date and (3) sold such Shares on the last day of such Performance Period at the Share Price on such date. As set forth in, and pursuant to, Section 9 of this Agreement, appropriate adjustments to the Total Return shall be made to take into account all stock dividends, stock splits, reverse stock splits and the other events set forth in Section 9 that occur during the Performance Period. In calculating Total Return, it is the current intention of the Committee to use total return to stockholders data for the Company and the Peer REITs available from one or more third party sources, though the Committee reserves the right to retain the services of a consultant to analyze relevant data or perform necessary calculations in its reasonable discretion for purposes of this Award.

“Transactional Sale Event” means (a) a Change of Control described in clause (a) of the definition thereof as a result of a tender offer for Shares or (b) a Change of Control described in clause (c) of the definition thereof.

“Units” means Partnership Units (as defined in the Partnership Agreement) that are outstanding or are issuable upon the conversion, exercise, exchange or redemption of any securities of any kind convertible, exercisable, exchangeable or redeemable for Partnership Units.

3. Award of 2010 LTIP Units.

(a) On the terms and conditions set forth in this Agreement, as well as the terms and conditions of the Stock Plan, the Grantee is hereby granted this Award consisting of the number of 2010 LTIP Units set forth on Schedule A hereto, which is incorporated herein by reference (the “Award 2010 LTIP Units”).

(b) If pursuant to Section 4 hereof vesting above 100% of the Award 2010 LTIP Units occurs an additional number of 2010 LTIP Units shall be granted to the

7

Grantee to cover the excess vesting percentage based on the calculations to be made pursuant to Section 4 hereof (the “Award 2010-2 LTIP Units”). In connection with any such subsequent grant of Award 2010-2 LTIP Units the Grantee shall execute and deliver to the Company and the Partnership such documents, comparable to the documents executed and delivered in connection with this Agreement, as the Company and/or the Partnership reasonably request in order to comply with all applicable legal requirements, including, without limitation, federal and state securities laws.

(c) 2010 LTIP Units shall constitute and be treated as the property of the Grantee as of the applicable grant date, subject to the terms of this Agreement and the Partnership Agreement. Every grant of 2010 LTIP Units to the Grantee pursuant to this Award shall be set forth in minutes of the meetings of the Committee. 2010 LTIP Units will be: (A) subject to vesting and/or forfeiture to the extent provided in Section 4; and (B) subject to restrictions on sale as provided in Section 8 hereof.

4. Vesting of 2010 LTIP Units.

(a) The percentage of the Grantee’s Award 2010 LTIP Units that will become vested at the end of the Performance Period will be based on the percentile rank of the Company’s Total Return relative to the Peer REIT Total Return for the Peer REITs for the Performance Period as set forth below, except as set forth in Section 5 hereof.

<u>Percentile Rank</u>	<u>Award Earned</u>
At least the 80 th percentile and including the 100 th percentile	200% of the Award 2010 LTIP Units
At least the 60 th percentile but less than the 80 th percentile	150% of the Award 2010 LTIP Units
At least the 40 th percentile but less than the 60 th percentile	100% of the Award 2010 LTIP Units
At least the 30 th percentile but less than the 40 th percentile	50% of the Award 2010 LTIP Units
Less than the 30 th percentile	0% of the Award 2010 LTIP Units

The percentile rank above shall be calculated using the following formula:

$$\text{Percentile Rank} = \frac{(100\% - X) + Y}{2}$$

8

Where:

X = the number of Peer REITs with a Peer REIT Total Return greater than the Company’s Total Return during the Performance Period as a percentage of the total number of Peer REITs plus the Company.

Y = the number of Peer REITs with a Peer REIT Total Return less than the Company's Total Return during the Performance Period as a percentage of the total number of Peer REITs plus the Company.

Vesting of the Grantee's Award 2010 LTIP Units shall occur as of the last day of the Performance Period regardless of when the Committee completes its determination of percentile rank or any other calculations or assessments related to its determination of the vesting percentage. If, as a result of performance above the 60th percentile, the percentage of the Grantee's Award 2010 LTIP Units that will become vested as of the end of the Performance Period exceeds 100%, Award 2010-2 LTIP Units granted pursuant to Section 3(b) hereof shall be immediately vested when granted.

(b) Notwithstanding the foregoing, if for the Performance Period the Company's Total Return on an absolute basis is less than 6%, then the Committee may in its sole and absolute discretion make equitable adjustments to the vesting criteria for the Award 2010 LTIP Units set forth in Section 4(a) regardless of the percentile rank of the Company's Total Return relative to the Peer REIT Total Return of the Peer REITs. In addition, the Committee may, upon consideration of the statistical distribution of the Peer REITs within the full range of Peer REIT Total Return for the Performance Period, exercise its reasonable discretion to allow for vesting of Award 2010 LTIP Units under Section 4(a) on a basis other than a strict mathematical calculation of percentile rank. By way of illustration, if for a given period the Peer REIT Total Return of a number of Peer REITs is clustered within a narrow range such that the effect of the precise calculation of percentiles is that vesting would not occur or occur at a specific level, the Committee could in its discretion conclude that vesting should occur at a different level to the extent appropriate in light of the circumstances and of the Company's Total Return performance relative to the Peer REITs as a group.

(c) Any Award 2010 LTIP Units that do not become vested pursuant to this Section 4 shall, without payment of any consideration by the Partnership, automatically and without notice terminate, be forfeited and be and become null and void as of the end of the Performance Period, and neither the Grantee nor any of his successors, heirs, assigns, or personal representatives will thereafter have any further rights or interests in such unvested Award 2010 LTIP Units.

5. **Change of Control or Termination of Grantee's Service Relationship.**

(a) If the Grantee is a party to a Service Agreement, the provisions of Sections 5(b), 5(c) and 5(d) below shall govern the vesting of the Grantee's Award 2010 LTIP Units exclusively in the event of a Change of Control or termination of the Grantee's service relationship with the Company or any Subsidiary or affiliate, unless the

9

Service Agreement contains provisions that expressly refer to this Section 5 and provides that those provisions of the Service Agreement shall instead govern the vesting of the Grantee's Award 2010 LTIP Units. The foregoing sentence will be deemed an amendment to any applicable Service Agreement to the extent required to apply its terms consistently with this Section 5, such that, by way of illustration, any provisions of the Service Agreement with respect to accelerated vesting or payout of the Grantee's bonus or incentive compensation awards in the event of certain types of terminations of Grantee's service relationship (such as, for example, termination at the end of the term, termination without Cause by the employer or termination for Good Reason by the employee) shall not be interpreted as requiring that any calculations set forth in Section 4 hereof be performed, or vesting occur with respect to this Award other than as specifically provided in this Section 5. In the event an entity ceases to be a Subsidiary or affiliate of the Company, such action shall be deemed to be a termination of employment of all employees of that entity for purposes of this Agreement, provided that the Committee, in its sole and absolute discretion, may make provision in such circumstances for accelerated vesting of some or all of the Grantee's unvested Award 2010 LTIP Units that have not previously been forfeited and, if applicable, for the granting of Award 2010-2 LTIP Units effective immediately prior to such event.

- (b) In the event of a Change of Control or Qualified Termination prior to January 31, 2011, then:
- (i) the calculations provided in Section 4 hereof shall be performed effective as of the date of the Change of Control or Qualified Termination as if the Performance Period ended on such date;
 - (ii) the number of Award 2010 LTIP Units resulting from the above calculations shall automatically and immediately be earned and become vested as of the date of the Change of Control or Qualified Termination;
 - (iii) if pursuant to the above calculations vesting above 100% of the Award 2010 LTIP Units occurs, the appropriate number of Award 2010-2 LTIP Units shall be granted to the Grantee to cover the excess vesting percentage based on such calculations and such Award 2010-2 LTIP Units shall be immediately vested. In connection with any such subsequent grant of Award 2010-2 LTIP Units the Grantee shall execute and deliver to the Company and the Partnership such documents, comparable to the documents executed and delivered in connection with this Agreement, as the Company and/or the Partnership reasonably request in order to comply with all applicable legal requirements, including, without limitation, federal and state securities laws; and
 - (iv) following the date of the Change of Control or Qualified Termination no further calculations pursuant to Section 4 hereof shall be performed. Any Award 2010 LTIP Units that do not

10

become vested pursuant to this Section 5(b) shall, without payment of any consideration by the Partnership, automatically and without notice terminate, be forfeited and be and become null and void, and neither the Grantee nor any of his successors, heirs, assigns, or personal representatives will thereafter have any further rights or interests in such unvested Award 2010 LTIP Units.

(c) Notwithstanding the foregoing, in the event vesting pursuant to this Section 5(b) is determined to constitute "nonqualified deferred compensation" subject to Section 409A of the Code, then, to the extent the Grantee is a "specified employee" under Section 409A of the

Code subject to the six-month delay thereunder, any such vesting or related payments to be made during the six-month period commencing on the Grantee's "separation from service" (as defined in Section 409A of the Code) shall be delayed until the expiration of such six-month period.

(d) In the event of a termination of employment or other cessation of the Grantee's Continuous Service other than a Qualified Termination, effective as of the date of such termination or cessation, all 2010 LTIP Units except for those that had previously been earned and become vested pursuant to Section 4 hereof shall automatically and immediately be forfeited by the Grantee. Any forfeited Award 2010 LTIP Units shall, without payment of any consideration by the Partnership, automatically and without notice be and become null and void, and neither the Grantee nor any of his successors, heirs, assigns, or personal representatives will thereafter have any further rights or interests in such forfeited Award 2010 LTIP Units. If the Grantee's employment with the Company or a Subsidiary or affiliate terminates as a result of his or her Retirement, the Committee may, on a case-by-case basis and in its sole discretion, provide for accelerated or continued vesting of some or all of the Grantee's unvested Award 2010 LTIP Units that have not previously been forfeited and, if applicable, for the granting of Award 2010-2 LTIP Units, in each case effective prior to the Retirement.

(e) To the extent that the Grantee's Service Agreement entitles the Grantee to receive any severance payments, or any other similar term used in the Grantee's Service agreement, from the Company in case of a termination of the Grantee's employment following a Change of Control or a similar event ("Change of Control Benefits"), then for purposes of calculating the Grantee's entitlement to such Change of Control Benefits any of the Award 2010 LTIP Units that vest pursuant to Section 4(a) (including any Award 2010-2 LTIP Units granted pursuant to Section 3(b) hereof) shall be included as part of the Grantee's bonus amount, or any other similar term used in the Grantee's Service Agreement, for the Performance Period. The value of such vested 2010 LTIP Units for purposes of determining such bonus amount shall be calculated by multiplying the Share Price as of end of the Performance Period by the sum of (i) the number of Award 2010 LTIP Units that vested on such date and (ii) the number of Award 2010-2 LTIP Units, if any, granted pursuant to Section 3(b) hereof.

(f) To the extent that Schedule A provides for amounts or schedules of vesting that conflict with the provisions of this Section 5, the provisions of Schedule A will be controlling and determinative.

11

6. **Payments by Award Recipients.** No amount shall be payable to the Company or the Partnership by the Grantee at any time in respect of this Award.

7. **Distributions.** Distributions on 2010 LTIP Units will be paid in accordance with the Partnership Agreement as modified hereby as follows:

(a) The LTIP Unit Distribution Participation Date (as defined in the Partnership Agreement) with respect to those 2010 LTIP Units that have been earned and have become vested in accordance with Sections 4 or 5 hereof shall be, with respect to both Award 2010 LTIP Units and Award 2010-2 LTIP Units, the effective date of vesting of Award 2010 LTIP Units. Vested 2010 LTIP Units shall be entitled to receive the full distribution payable on Units outstanding as of the record date next following the applicable date set forth in the preceding sentence, whether or not they will have been outstanding for the whole period.

(b) Prior to the LTIP Unit Distribution Participation Date provided in Section 7(a) above, Award 2010 LTIP Units shall be entitled to receive 10% of regular periodic distributions payable to holders of Units ("Current Distributions") and 0% of special, extraordinary or other distributions made not in the ordinary course.

(c) An amount equal to the distributions (regular, special, extraordinary or otherwise) other than Current Distributions ("Contingent Distributions") paid with respect to a Unit between the date of grant of the Award 2010 LTIP Units and the LTIP Unit Distribution Participation Date provided in Section 7(a) above multiplied by the number of Award 2010 LTIP Units shall be credited to a notional (unfunded) account for the benefit of the Grantee on the books and records of the Partnership subject to vesting. As promptly as practicable after the LTIP Unit Distribution Participation Date, an amount equal to the Contingent Distributions that would have been paid with respect to the Award 2010 LTIP Units that have become vested (excluding any Award 2010-2 LTIP Units) shall be paid to the Grantee. Any portion of the notional account that is not due the Grantee shall be forfeited and revert to the Partnership free and clear of any claims by the Grantee.

(d) Current Distributions paid prior to the LTIP Unit Distribution Participation Date will be subject to a full claw back to the extent that Award 2010 LTIP Units do not vest at the end of the Performance Period and are therefore forfeited. The aggregate amount of such Current Distributions clawed back from the Grantee shall be refunded to the Partnership as promptly as practicable after the end of the Performance Period by offset against dividends payable to the Grantee on Shares or distributions payable to the Grantee on Units or other amounts due to the Grantee by the Company or the Partnership, or otherwise upon request from the Partnership to the Grantee in cash.

(e) To the extent that the Partnership makes distributions to holders of Units partially in cash and partially in additional Units or other securities, unless the Committee in its sole discretion determines to allow the Grantee to make a different election, the Grantee shall be deemed to have elected with respect to all 2010 LTIP Units eligible to receive such distribution to receive 10% of such distribution in cash and 90%

12

in Units, with the cash component constituting the Current Distribution prior to the LTIP Unit Distribution Participation Date.

8. **Restrictions on Transfer.** None of the 2010 LTIP Units shall be sold, assigned, transferred, pledged or otherwise disposed of or encumbered (whether voluntarily or involuntarily or by judgment, levy, attachment, garnishment or other legal or equitable proceeding) (each such action a "Transfer"), or redeemed in accordance with the Partnership Agreement (a) prior to vesting, (b) until after January 31, 2013 other than in connection with a Change of Control, and (c) unless such Transfer is in compliance with all applicable securities laws (including, without limitation, the Securities Act of 1933, as amended (the "Securities Act")), and such Transfer is in accordance with the applicable terms and conditions of the Partnership Agreement; provided that, upon the approval of, and subject to the terms and conditions specified by, the Committee, vested 2010 LTIP Units that have been held for a period of at least two (2) years may be Transferred to (i) the spouse, children or grandchildren of the Grantee ("Immediate Family Members"), (ii) a trust or trusts for the

exclusive benefit of the Grantee and such Immediate Family Members, (iii) a partnership in which the Grantee and such Immediate Family Members are the only partners, or (iv) one or more entities in which the Grantee has a 10% or greater equity interest, provided that the Transferee agrees in writing with the Company and the Partnership to be bound by all the terms and conditions of this Agreement and that subsequent transfers of unvested 2010 LTIP Units shall be prohibited except those in accordance with this Section 8. In connection with any Transfer of 2010 LTIP Units, the Partnership may require the Grantee to provide an opinion of counsel, satisfactory to the Partnership, that such Transfer is in compliance with all federal and state securities laws (including, without limitation, the Securities Act). Any attempted Transfer of 2010 LTIP Units not in accordance with the terms and conditions of this Section 8 shall be null and void, and the Partnership shall not reflect on its records any change in record ownership of any 2010 LTIP Units as a result of any such Transfer, shall otherwise refuse to recognize any such Transfer and shall not in any way give effect to any such Transfer of any 2010 LTIP Units. This Agreement is personal to the Grantee, is non-assignable and is not transferable in any manner, by operation of law or otherwise, other than by will or the laws of descent and distribution.

9. **Changes in Capital Structure.** Without duplication with the provisions of Section 6.2 of the Stock Plan, if (a) the Company shall at any time be involved in a merger, consolidation, dissolution, liquidation, reorganization, exchange of shares, sale of all or substantially all of the assets or stock of the Company or other fundamental transaction similar thereto, (b) any stock dividend, stock split, reverse stock split, stock combination, reclassification, recapitalization, significant repurchases of stock, or other similar change in the capital structure of the Company shall occur, (c) any extraordinary dividend or other distribution to holders of shares of Common Stock or Units other than regular cash dividends shall be made, or (d) any other event shall occur that in each case in the good faith judgment of the Committee necessitates action by way of appropriate equitable adjustment in the terms of this Award, the LTIP or the 2010 LTIP Units, then the Committee shall take such action as it deems necessary to maintain the Grantee's rights hereunder so that they are substantially proportionate to the rights existing under this Award, the LTIP and the terms of the 2010 LTIP Units prior to such event, including, without limitation: (i) adjustments in the Award 2010 LTIP Units, the Award 2010-2 LTIP Units, the Share Price, Total Return or other pertinent terms of this Award; and (ii) substitution of other awards under the Stock Plan or otherwise. The Grantee shall have the right

13

to vote the 2010 LTIP Units if and when voting is allowed under the Partnership Agreement, regardless of whether vesting has occurred.

10. **Miscellaneous.**

(a) **Amendments; Modifications.** This Agreement may be amended or modified only with the consent of the Company and the Partnership acting through the Committee; provided that any such amendment or modification materially and adversely affecting the rights of the Grantee hereunder must be consented to by the Grantee to be effective as against him; and provided, further, that the Grantee acknowledges that the Stock Plan may be amended or discontinued in accordance with Section 6.6 thereof and that this Agreement may be amended or canceled by the Committee, on behalf of the Company and the Partnership, for the purpose of satisfying changes in law or for any other lawful purpose, so long as no such action shall impair the Grantee's rights under this Agreement without the Grantee's written consent. Notwithstanding the foregoing, this Agreement may be amended in writing signed only by the Company to correct any errors or ambiguities in this Agreement and/or to make such changes that do not materially adversely affect the Grantee's rights hereunder. No promises, assurances, commitments, agreements, undertakings or representations, whether oral, written, electronic or otherwise, and whether express or implied, with respect to the subject matter hereof, have been made by the parties which are not set forth expressly in this Agreement. This grant shall in no way affect the Grantee's participation or benefits under any other plan or benefit program maintained or provided by the Company.

(b) **Incorporation of Stock Plan; Committee Determinations.** The provisions of the Stock Plan are hereby incorporated by reference as if set forth herein. In the event of a conflict between this Agreement and the Stock Plan, this Agreement shall be controlling and determinative. The Committee will make the determinations and certifications required by this Award as promptly as reasonably practicable following the occurrence of the event or events necessitating such determinations or certifications. In the event of a Change of Control, the Committee will perform any calculations set forth in Section 4 or Section 5 hereof required in connection with such Change of Control and make any determinations relevant to vesting with respect to this Award within a period of time that enables the Company to conclude whether Award 2010 LTIP Units become vested or are forfeited and whether any Award 2010-2 LTIP Units need to be granted not later than the date of consummation of the Change of Control.

(c) **Status as a Partner.** As of the grant date set forth on Schedule A, the Grantee shall be admitted as a partner of the Partnership with beneficial ownership of the number of Award 2010 LTIP Units issued to the Grantee as of such date pursuant to Section 3(a) hereof by: (A) signing and delivering to the Partnership a copy of this Agreement; and (B) signing, as a Limited Partner, and delivering to the Partnership a counterpart signature page to the Partnership Agreement (attached hereto as Exhibit A). The Partnership Agreement shall be amended to reflect the issuance to the Grantee of Award 2010-2 LTIP Units pursuant to Section 3(b) hereof, if any, whereupon the Grantee shall have all the rights of a Limited Partner of the Partnership with respect to the total number of 2010 LTIP Units then held by the Grantee, as set forth in the Partnership

14

Agreement, subject, however, to the restrictions and conditions specified herein and in the Partnership Agreement.

(d) **Status of 2010 LTIP Units under the Stock Plan.** Insofar as the LTIP has been established as an incentive program of the Company and the Partnership, the 2010 LTIP Units are both issued as equity securities of the Partnership and granted as awards under the Stock Plan. The Company will have the right at its option, as set forth in the Partnership Agreement, to issue shares of Common Stock in exchange for Units into which 2010 LTIP Units may have been converted pursuant to the Partnership Agreement, subject to certain limitations set forth in the Partnership Agreement, and such shares of Common Stock, if issued, will be issued under the Stock Plan. The Grantee must be eligible to receive the 2010 LTIP Units in compliance with applicable federal and state securities laws and to that effect is required to complete, execute and deliver certain covenants, representations and warranties (attached as Exhibit B). The Grantee acknowledges that the Grantee will have no right to approve or disapprove such determination by the Committee.

(e) **Legend.** The records of the Partnership evidencing the 2010 LTIP Units shall bear an appropriate legend, as determined by the Partnership in its sole discretion, to the effect that such 2010 LTIP Units are subject to restrictions as set forth herein, in the Stock Plan and in the Partnership Agreement.

(f) Compliance With Securities Laws. The Partnership and the Grantee will make reasonable efforts to comply with all applicable securities laws. In addition, notwithstanding any provision of this Agreement to the contrary, no 2010 LTIP Units will become vested or be issued at a time that such vesting or issuance would result in a violation of any such laws.

(g) Investment Representations; Registration. The Grantee hereby makes the covenants, representations and warranties and set forth on Exhibit B attached hereto. All of such covenants, warranties and representations shall survive the execution and delivery of this Agreement by the Grantee. The Partnership will have no obligation to register under the Securities Act any 2010 LTIP Units or any other securities issued pursuant to this Agreement or upon conversion or exchange of 2010 LTIP Units. The Grantee agrees that any resale of the shares of Common Stock received upon the exchange of Units into which 2010 LTIP Units may be converted shall not occur during the “blackout periods” forbidding sales of Company securities, as set forth in the then applicable Company employee manual or insider trading policy. In addition, any resale shall be made in compliance with the registration requirements of the Securities Act or an applicable exemption therefrom, including, without limitation, the exemption provided by Rule 144 promulgated thereunder (or any successor rule).

(h) Section 83(b) Election. In connection with each separate issuance of 2010 LTIP Units under this Award pursuant to Section 3 hereof the Grantee hereby agrees to make an election to include in gross income in the year of transfer the applicable 2010 LTIP Units pursuant to Section 83(b) of the Code substantially in the

15

form attached hereto as Exhibit C and to supply the necessary information in accordance with the regulations promulgated thereunder.

(i) Severability. If, for any reason, any provision of this Agreement is held invalid, such invalidity shall not affect any other provision of this Agreement not so held invalid, and each such other provision shall to the full extent consistent with law continue in full force and effect. If any provision of this Agreement shall be held invalid in part, such invalidity shall in no way affect the rest of such provision not held so invalid, and the rest of such provision, together with all other provisions of this Agreement, shall to the full extent consistent with law continue in full force and effect.

(j) Governing Law. This Agreement is made under, and will be construed in accordance with, the laws of State of Delaware, without giving effect to the principles of conflict of laws of such state.

(k) No Obligation to Continue Position as an Employee, Consultant or Advisor. Neither the Company nor any affiliate is obligated by or as a result of this Agreement to continue to have the Grantee as an employee, consultant or advisor and this Agreement shall not interfere in any way with the right of the Company or any affiliate to terminate the Grantee’s service relationship at any time.

(l) Notices. Any notice to be given to the Company shall be addressed to the Secretary of the Company at its principal place of business and any notice to be given the Grantee shall be addressed to the Grantee at the Grantee’s address as it appears on the employment records of the Company, or at such other address as the Company or the Grantee may hereafter designate in writing to the other.

(m) Withholding and Taxes. No later than the date as of which an amount first becomes includible in the gross income of the Grantee for income tax purposes or subject to the Federal Insurance Contributions Act withholding with respect to this Award, the Grantee will pay to the Company or, if appropriate, any of its affiliates, or make arrangements satisfactory to the Committee regarding the payment of, any United States federal, state or local or foreign taxes of any kind required by law to be withheld with respect to such amount. The obligations of the Company under this Agreement will be conditional on such payment or arrangements, and the Company and its affiliates shall, to the extent permitted by law, have the right to deduct any such taxes from any payment otherwise due to the Grantee.

(n) Headings. The headings of paragraphs hereof are included solely for convenience of reference and shall not control the meaning or interpretation of any of the provisions of this Agreement.

(o) Counterparts. This Agreement may be executed in multiple counterparts with the same effect as if each of the signing parties had signed the same document. All counterparts shall be construed together and constitute the same instrument.

16

(p) Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of the parties hereto and any successors to the Company and the Partnership, on the one hand, and any successors to the Grantee, on the other hand, by will or the laws of descent and distribution, but this Agreement shall not otherwise be assignable or otherwise subject to hypothecation by the Grantee.

(q) 409A. This Agreement shall be construed, administered and interpreted in accordance with a good faith interpretation of Section 409A of the Code. Any provision of this Agreement that is inconsistent with Section 409A of the Code, or that may result in penalties under Section 409A of the Code, shall be amended, in consultation with the Grantee and with the reasonable cooperation of the Grantee and the Company, in the least restrictive manner necessary to (i) exclude the 2010 LTIP Units from the definition of “deferred compensation” within the meaning of such Section 409A or (ii) comply with the provisions of Section 409A, other applicable provision(s) of the Code and/or any rules, regulations or other regulatory guidance issued under such statutory provisions, in each case without diminution in the value of the benefits granted hereby to the Grantee.

(r) Complete Agreement. This Agreement (together with those agreements and documents expressly referred to herein, for the purposes referred to herein) embody the complete and entire agreement and understanding between the parties with respect to the subject matter hereof, and supersede any and all prior promises, assurances, commitments, agreements, undertakings or representations, whether oral, written, electronic or otherwise, and whether express or implied, which may relate to the subject matter hereof in any way.

(iii) The 2010 LTIP Units to be issued, the Common Units issuable upon conversion of the 2010 LTIP Units and any REIT Shares issued in connection with the redemption of any such Common Units will be acquired for the account of the Grantee for investment only and not with a current view to, or with any intention of, a distribution or resale thereof, in whole or in part, or the grant of any participation therein, without prejudice, however, to the Grantee’s right (subject to the terms of the 2010 LTIP Units, the Stock Plan, the agreement of limited partnership of the Partnership, the articles of organization of the Company, as amended, and the Award Agreement) at all times to sell or otherwise dispose of all or any part of his 2010 LTIP Units, Common Units or REIT Shares in compliance with the Securities Act, and applicable state securities laws, and subject, nevertheless, to the disposition of his assets being at all times within his control.

The Grantee hereby acknowledges that because of the restrictions on transfer or assignment of such 2010 LTIP Units acquired hereby and the Common Units issuable upon conversion of the 2010 LTIP Units which are set forth in the Partnership Agreement or this Agreement, the Grantee may have to bear the economic risk of his ownership of the 2010 LTIP Units acquired hereby and the Common Units issuable upon conversion of the 2010 LTIP Units for an indefinite period of time.

(v) The Grantee has determined that the 2010 LTIP Units are a suitable investment for the Grantee.

SCHEDULE TO EXHIBIT C

Vesting Provisions of 2010 LTIP Units

The 2010 LTIP Units are subject to performance-based vesting. Performance-based vesting will be from 0-200% based on The Macerich Company's (the "Company's") per-share total return to holders of the Company's common stock (the "Total Return") for the period from February 1, 2010 to January 31, 2011 (or earlier in certain circumstances). The 2010 LTIP Units may vest depending on the percentile rank of the Company in terms of Total Return relative to the Total Return of a group of peer REITs (the "Peer REITs"), as measured at the end of the performance period. Following the end of the performance period, the Company's Compensation Committee (the "Committee") will determine the performance of the Company and each of the Peer REITs and, depending on the Company's Total Return relative to the Total Return of the Peer REITs, vesting of the 2010 LTIP Units will occur as follows:

<u>Percentile Rank</u>	<u>Award Earned</u>
At least the 80 th percentile and including the 100 th percentile	200%

At least the 60 th percentile but less than the 80 th percentile	150%
At least the 40 th percentile but less than the 60 th percentile	100%
At least the 30 th percentile but less than the 40 th percentile	50%
Less than the 30 th percentile	0%

Notwithstanding the foregoing, if for the performance period the Total Return on an absolute basis is less than 6%, then the Committee may in its sole and absolute discretion make equitable adjustments to the vesting criteria for the 2010 LTIP Units set forth above regardless of the percentile rank of the Company's Total Return relative to the Total Return of the Peer REITs. The above vesting is conditioned upon the Taxpayer remaining an employee of the Company through the applicable vesting dates, and subject to acceleration of the vesting determination in the event of a change of control of the Company or termination of the Taxpayer's service relationship with the Company under specified circumstances. Unvested 2010 LTIP Units are subject to forfeiture in the event of failure to vest based on the determination of the performance-based percentage.
