Item 1.01 Entry into a Material Definitive Agreement

On February 3, 2005, the Board of Directors of The Macerich Company (the "Company") approved amendments to The Macerich Company Executive Officer Salary Deferral Plan (the "Plan"). The amendments became effective as of December 15, 2004.

The Plan originally became effective on October 1, 1994 and provided certain executive officers of the Company with the opportunity to make annual irrevocable elections to defer a portion of their annual base salary under the Plan. The Plan was subsequently amended as of October 1, 2002 to suspend all future base salary deferrals under the Plan. Except as provided below, participant accounts are not credited with interest or earnings. Each participant will be eligible to receive a distribution of the amounts credited to his accounts in a cash lump sum payment on the earlier to occur of (1) the date irrevocably elected by the participant prior to his initial participation

in the Plan or (2) the participant's death.

The amendments to the Plan provide that, as of December 15, 2004, the amounts credited to the deferral account and company matching account of the Company's Vice Chairman (the "Participant") will be credited with income, gains and losses based upon the performance of investment funds selected by the Participant from a list of funds designated by the Company. In addition, in order to make the Plan provisions applicable to the Participant comply with new Section 409A of the Internal Revenue Code ("Section 409A") regarding the timing of the payment of deferred compensation, the amendments to the Plan also provide that if the Plan is terminated either in full or with respect to the Participant, then the amounts credited to the Participant's accounts will be distributed to the Participant on his scheduled distribution date rather than at the time of termination of the Plan.
