**Overview**

The Macerich Company (the “Company”) is involved in the acquisition, ownership, development, redevelopment, management and leasing of regional and community shopping centers located throughout the United States. The Company is the sole general partner of, and owns a majority of the ownership interests in, The Macerich Partnership, L.P., a Delaware limited partnership (the “Operating Partnership”).

As of September 30, 2011, the Operating Partnership owned or had an ownership interest in 71 regional shopping centers and 14 community shopping centers aggregating approximately 72 million square feet of gross leasable area (“GLA”). These 85 centers are referred to hereinafter as the “Centers”, unless the context requires otherwise.

As of May 11, 2011, the Shoppingtown Mall non-recourse mortgage loan was in maturity default. Shoppingtown Mall is under the control of the loan servicer and likely will be transferred to a receiver in the near future. Consequently, Shoppingtown Mall has been excluded from certain Non-GAAP operating measures in 2011 as indicated in this document.

On April 1, 2011, the joint venture that owned Granite Run Mall conveyed the property to the lender by a deed in lieu of foreclosure. The mortgage on this property was non-recourse. Consequently, Granite Run has been excluded from certain Non-GAAP operating measures in 2011 as indicated in this document.

On July 15, 2010, a court appointed receiver (“Receiver”) assumed operational control of Valley View Center and responsibility for managing all aspects of the property. The Company anticipates the disposition of the asset, which is under the control of the Receiver, will be executed through foreclosure, deed in lieu of foreclosure, or by some other means, and will be completed within the next twelve months. Consequently, Valley View has been excluded from certain Non-GAAP operating measures in 2010 and 2011 as indicated in this document.

The Company is a self-administered and self-managed real estate investment trust (“REIT”) and conducts all of its operations through the Operating Partnership and the Company’s management companies (collectively, the “Management Companies”).

All references to the Company in this Exhibit include the Company, those entities owned or controlled by the Company and predecessors of the Company, unless the context indicates otherwise.
